APPLICATION FOR ACADEMIC REPRIEVE

An academic reprieve is a policy for students that want to disregard a semester or two consecutive semesters in the calculation of their retention/graduation grade-point averages. **Please read the information in items B & C below to learn about eligibility requirements and how the policy is applied before you submit the application.**

If you are eligible for a reprieve, please submit this form to the Registrar’s Office in person or send it via fax, U.S. mail, or email (see contact information above). After your application is reviewed, you will be notified of a decision through your NOC Email Account.

**B. Eligibility Requirements:**

1. A student is eligible for only one reprieve or one renewal (cannot utilize both policies).
2. A student must be currently enrolled at NOC to be eligible.
3. A student can request only one reprieve for either one semester or two consecutive semesters.
4. At least **THREE** years must have elapsed between the current semester and the semester(s) for which the reprieve is requested.
5. The student cannot earn a D or F on any coursework after the semester(s) for which the reprieve is requested.
6. The student must earn at least 12 hours of college credit (excluding activity and performance courses) after the semester(s) for which the reprieve is requested.
7. A reprieve is considered only for undergraduate coursework.

**C. How It Works:**

1. There are two different grade-point averages: retention/graduation and cumulative. An academic reprieve impacts only the retention/graduation grade-point average and will not change the cumulative grade point average.
2. The retention/graduation grade-point average that is calculated as a result of a reprieve may or may not be considered if a student applies to a selective admission program. It is the student’s responsibility to check with the appropriate academic department to find out if it considers the retention/graduation grade-point average for admission purposes.
