RETURN OF TITLE IV, HEA POLICY

When you apply for financial aid, you sign a statement that you will use the funds for educational purposes only. Therefore, if you withdraw before completing your program, a portion of the funds you received may have to be returned. Northern Oklahoma College will calculate the amount of tuition to be returned to the Title IV, HEA Federal fund programs according to the policies listed below.

RETURN TO TITLE IV FUNDS POLICY

This policy applies to students’ who withdraw official, unofficially, fail to return from a leave of absence, or dismissed from enrollment at NORTHERN OKLAHOM COLLEGE. It is separate and distinct from the NORTHERN OKLAHOM COLLEGE refund policy. (Refer to institutional refund policy)

The calculated amount of the Return of Title IV, HEA (R2T4) funds that are required for the students affected by this policy, are determined according to the following definitions and procedures as prescribed by regulations.

The amount of Title IV, HEA aid earned is based on the amount of time a student spent in academic attendance, and the total aid received; it has no relationship to student’s incurred institutional charges. Because these requirements deal only with Title IV, HEA funds, the order of return of unearned funds do not include funds from sources other than the Title IV, HEA programs.

Title IV, HEA funds are awarded to the student under the assumption that he/she will attend school for the entire period for which the aid is awarded. When student withdraws, he/she may no longer be eligible for the full amount of Title IV, HEA funds that were originally scheduled to be received. Therefore, the amount of Federal funds earned must be determined. If the amount disbursed is greater than the amount earned, unearned funds must be returned.

The institution has 45 days from the date that the institution determines that the student withdrew to return all unearned funds for which it is responsible. The school is required to notify the student if they owe a repayment via written notice.

The school must advise the student or parent that they have 14 calendar days from the date that the school sent the notification to accept a post withdraw disbursement. If a response is not received from the student or parent within the allowed time frame or the student declines the funds, the school will return any earned funds that the school is holding to the Title IV, HEA programs.

Post-withdraw disbursements will occur within 90 days of the date that the student withdrew.

“Official” Withdrawal from the School

A student is considered to be “Officially” withdrawn on the date the student notifies the Financial Aid Director or Registrar in writing of their intent to withdraw. The date of the termination for return and refund purposes will be the earliest of the following for official withdrawal:

1. Date student provided official notification of intent to withdraw, in writing or orally.
2. The date the student began the withdrawal from NORTHERN OKLAHOM COLLEGE, records. A student is allowed to rescind his notification in writing and continue the program. If the student subsequently drops, the student’s withdrawal date is the original date of notification of intent to withdraw.
Upon receipt of the official withdrawal information, NORTHERN OKLAHOM COLLEGE will complete the following:

1. Determine the student’s last date of attendance as of the last recorded date of academic attendance on the school’s attendance record;
2. Two calculations are performed:
   a. The students’ bursar account and attendance record are reviewed to determine the calculation of Return of Title IV, HEA funds the student has earned, and if any, the amount of Title IV funds for which the school is responsible. Returns made to the Federal Funds Account are calculated using the Department’s Return of Title IV, HEA Funds Worksheets, scheduled attendance and are based upon the payment period.
   b. Calculate the school’s refund requirement (see school refund calculation):
3. NORTHERN OKLAHOM COLLEGE, will return the amount for any unearned portion of the Title IV funds for which the school is responsible within 45 days of the date the official notice was provided.
4. The financial aid office will provide the student with a letter explaining the Title IV, HEA requirements:
   a. The amount of Title IV assistance the student has earned. This amount is based upon the length of time the student was enrolled in the program based on scheduled attendance and the amount of funds the student received.
   b. Any returns that will be made to the Title IV, HEA Federal program on the student’s behalf as a result of exiting the program. If a student’s scheduled attendance is more than 60% of the payment period, he/she is considered to have earned 100% of the Federal funds received for the payment period. In this case, no funds need to be returned to the Federal funds.
   c. Advise the student of the amount of unearned Federal funds and tuition and fees that the student must return, if applicable.
5. Supply the student with a copy of the bursar account noting outstanding balance due to the school and the available methods of payment. A copy of the completed worksheet, check, letter and final ledger card will be kept in the student’s file.

In the event a student decides to rescind his or her official notification to withdraw, the student must provide a signed and dated written statement that he/she is continuing his or her program of study, and intends to complete the payment period. Title IV, HEA assistance will continue as originally planned. If the student subsequently fails to attend or ceases attendance without completing the payment period, the student’s withdrawal date is the original date of notification of intent to withdraw.

**Unofficial Withdrawal from School**

In the event that the school unofficially withdraws a student from school, the instructor and/or registrar must complete the Withdrawal Form using the last date of attendance as the drop date.

Any student that does not provide official notification of his or her intent to withdraw and excessive absences, fails to maintain satisfactory academic progress, or fails to comply with the school’s attendance will be subject to termination and considered to have unofficially withdrawn.

Within one week of the student’s last date of academic attendance, the following procedures will take place:

1. The instructor will make an attempt to notify the student regarding his/her enrollment status;
2. Determine and record the student’s last date of attendance as the last recorded date of academic attendance on the attendance record;
   a. The student’s withdrawal date is determined as the last date of academic activity.
b. If the last date of academic activity cannot be determined then the mid-point (50%) of 
the payment period is the withdrawal date.
3. Notify the student in writing of their failure to contact the school and attendance 
status resulting in the current termination of enrollment;
4. NORTHERN OKLAHOM COLLEGE, calculates the amount of Federal funds the 
student has earned, and, if any, the amount of Federal funds for which the school is 
responsible.
5. Calculate the school’s refund requirement (see school refund calculation);
6. NORTHERN OKLAHOM COLLEGE, Executive Financial Director will return to the 
Federal fund programs any unearned portion of Title IV funds for which the school 
is responsible within 45 days of the date the withdrawal determination was made, 
and record on student’s ledger card.
8. If applicable, NORTHERN OKLAHOM COLLEGE, will provide the student with a 
refund letter explaining Title IV requirements:
a. The amount of Title IV aid the student has earned based upon the length of 
time the student was enrolled and scheduled to attend in the program and the 
amount of aid the student received.
b. Advise the student in writing of the amount of unearned Title IV aid and tuition and 
fees that he/she must return, if applicable.
c. Supply the student with a final student bursar account showing outstanding balance due 
due the school and the available methods of payment.
9. A copy of the completed worksheet, check, letter, and bursar account will be kept 
in the student’s file.

When a student who has not officially withdrawn fails to receive a passing grade in at least one class during the 
term, the Financial Aid Office will determine whether a student actually established eligibility for the aid originally 
awarded. Instructors will report the student’s last date of academic activity. If the student did not begin attendance, 
or stopped attending during the payment period, the financial aid will be adjusted or cancelled.

**Withdrawal before 60%:**

The institution must perform a R2T4 to determine the amount of earned aid up through the 60% point in each 
payment period or period of enrollment. The institution will use the Department of Education’s prorate schedule to 
determine the amount of R2T4 funds the student has earned at the time of withdrawal. After the 60% point in the 
payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to 
receive during the period. The institution must still perform a R2T4 to determine the amount of aid that the student 
has earned.

**Withdrawal after 60%:**

For a student who withdraws after the 60% point-in-time, there are no unearned funds. However, a school must still 
determine whether the student is eligible for a post-withdrawal disbursement.

Note: Institution should provide and examples of the calculations used to determine the amount of unearned aid a 
student would be expected to repay based on the reported last day of attendance of the term from which a student 
withdraws?

**Example of Calculation:** - CREDIT HOUR SCHOOL

1. Determined the percentage of Title IV, HEA aid earned by the student by taking the calendar days 
completed in the payment period, divided by the total calendar days in the payment period (excluding 
breaks of 5 days or more and days the student was on an approve LOA 
18(completed days) = 15.3% (% of completed calendar days)
2. Determine the amount of Title IV aid earned by the student by multiplying the percentage of Title IV, HEA aid earned times the total of the Title IV aid disbursed plus the Title IV aid that could have been disbursed for the payment period.
   
   \[ 15.3\% \times $2805.00 = 429.17 \text{ (Amount of aid earned by student)} \]

3. If this percentage is greater than 60%, the student earns 100% of the disbursed Title IV, HEA funds or aid that could have been disbursed.

4. If this percentage is less than 60%, then the percentage earned is equal to the calculated value.

5. Funds are returned to the appropriate federal program based on the percent of Percentage of aid earned = the number of scheduled hours in the payment period completed unearned aid using the following formula:

6. Aid to be returned = (100% minus the percent earned) multiplied by the amount of aid disbursed toward institutional charges. If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student may be required to return a portion of the funds. All Title IV funds that the institution must return will be made no later than 45 calendar days after the date the school determines that the student withdrew.

7. When Title IV, HEA funds are returned, the student may owe a balance to the institution.

**Order of Return**

NORTHERN OKLAHOMA COLLEGE is authorized to return any excess funds after applying them to current outstanding Cost of Attendance (COA) charges. A copy of the Institutional R2T4 work sheet performed on your behalf is available through the office upon student request.

In accordance with Federal regulations, when Title IV, HEA financial aid is involved, the calculated amount of the R2T4 Funds is allocated in the following order:

- Unsubsidized Direct Stafford loans (other than PLUS loans)
- Subsidized Direct Stafford loans
- Parent PLUS loans
- Direct PLUS loans
- Federal Pell Grants for which a Return is required
- Iraq and Afghanistan Service Grant for which a Return is required
- Federal Supplemental Educational Opportunity Grant
- Other Title IV assistance
- Other state, private, or institutional aid
- The Student

**Earned AID:**

Title IV, HEA aid is earned in a prorated manner on a per diem basis (calendar days or clock hours) up to the 60% point in the semester. Title IV, HEA aid is viewed as 100% earned after that point in time. A copy of the worksheet used for this calculation can be requested from the financial aid director.

**Time frame for returning an unclaimed Title IV, HEA Credit Balance**
If a school attempts to disburse the credit balance by check and the check is not cashed, the school must return the funds no later than 240 days after the date the school issued the check.

If a check is returned to a school or an EFT is rejected, the school may make additional attempts to disburse the funds, provided that those attempts are made not later than 45 days after the funds were returned or rejected. When a check is returned or EFT is rejected and the school does not make another attempt to disburse the funds, the funds must be returned before the end of the initial 45-day period.

The school must cease all attempts to disburse the funds and return them no later than 240 days after the date it issued the first check.

**Institution Responsibilities**

NORTHERN OKLAHOMA COLLEGE’s responsibilities in regards to Title IV, HEA funds follow:

- Providing students information with information in this policy;
- Identifying students who are affected by this policy and completing the return of Title IV funds calculation for those students;
- Returning any Title IV, HEA funds due to the correct Title IV programs.

The institution is not always required to return all of the excess funds; there are situations once the R2T4 calculations have been completed in which the student must return the unearned aid.

**Overpayment of Title IV, HEA Funds**

Any amount of unearned grant funds that you must return is called overpayment. The amount of grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with NORTHERN OKLAHOMA COLLEGE or Department of Education to return the amount of unearned grant funds.

**Post Withdrawal Disbursement**

The institution must disburse any Title IV, HEA grant funds a student is due as part of a post-withdrawal disbursement within 45 days of the date the school determined the student withdrew and disburse any loan funds a student accepts within 180 days of that date.

The institution will offer any post-withdrawal disbursement of loan funds within 90 days of the date it determines the student withdrew.

If you did not receive all of the funds that you have earned, you may be due a post-withdrawal disbursement. NORTHERN OKLAHOMA COLLEGE may use a portion or all of your post-withdrawal disbursement for tuition and fees (as contracted with NORTHERN OKLAHOMA COLLEGE). For all other school charges, NORTHERN OKLAHOMA COLLEGE needs your permission to use the post-withdrawal disbursement. If you do not give permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

**Student Responsibilities in regards to Return of Title IV, HEA funds**

- Returning to the Title IV, HEA programs any funds that were dispersed to the student in which the student was determined to be ineligible for via the R2T4 calculation.
Any notification of withdraw should be in writing and addressed to the appropriate institutional official.

A student may rescind his or her notification of intent to withdraw. Submissions of intent to rescind a withdraw notice must be filed in writing.

These notifications, to either withdraw or rescind to withdraw must be made to the official records/registration personal at your school.

**Refund vs. Return to Title IV, HEA Funds**

The requirements for the Title IV, HEA program funds when you withdraw are separate from any refund policy that NORTHERN OKLAHOM COLLEGE may have to return to you due to a cash credit balance. Therefore, you may still owe funds to the school to cover unpaid institutional charges. NORTHERN OKLAHOM COLLEGE may also charge you for any Title IV, HEA program funds that they were required to return on your behalf.

If you do not already know what NORTHERN OKLAHOM COLLEGE refund policy is, you may ask your Schools Financial Planner for a copy.

**Return to Title IV, HEA Questions**

If you have questions regarding Title IV, HEA program funds after visiting with your financial aid director, you may call the Federal Student Aid Information Center at 1-800-4-fedaid (800-433-3243).
