Oklahoma State University Accounts: O-Key Account & OSU Email

Through the NOC/OSU Gateway Program, students will have an NOC ID, Campus Connect and NOC email, as well as an OSU student ID, OSU email and OSU bursar account. To access the OSU campus you will need to get your OSU ID.

To get your OSU ID, start by activating your O-Key account. Go to https://apps.okstate.edu/okey/index.php

What is O-Key?

O-Key is Oklahoma State University’s centralized web-based account management and service provisioning system. One of O-Key’s core functions is to provide a single secure user ID and password that can be used to access OSU services. After completing your student enrollment or filling out your employment paperwork, you will be eligible for an O-Key account [visit http://okey.okstate.edu]. By activating your account, you can set up your email address, create an e-mail account to the OSU-provided Exchange/Outlook services and set up your emergency and directory contact information.

As a Gateway student at Northern Oklahoma College Stillwater, you have TWO separate email and financial accounts—one with NOC and one with OSU. These have separate logins. It is VERY important that you follow the steps in this packet to setup and maintain these accounts. As a Gateway student you will have TWO IDs and TWO financial accounts. YOU are responsible for both. Be sure to check your OSU bursar account balance. NOC financial aid will not pay OSU charges, but you may apply any NOC refunds to OSU charges. You will receive OSU holds [academic, enrollment, and charging] if OSU balance is not paid and the holds will prohibit future enrollment until paid.
Activate O-Key Account

1. Go to okey.okstate.edu

2. Click on the O-Key Account Activation button on the main page.

3. Enter the first two letters of your last name, the last five digits of your Social Security Number [or OSU Identification Number] and your date of birth in the appropriate fields.

   **Attention International Students:** If you do not have a social security number, please enter the last 5 digits of your temporary student identification number.

4. You will be asked to enter a PIN # that will be **emailed to you at the personal email address you listed on your application.**

5. Once all information has been entered successfully, you will be guided through an activation wizard that will help you obtain an O-Key username, password and email address. Upon completion of the activation wizard, it may take 24 hours before your new account is ready to use.

   **POINTS OF INTEREST IN O-KEY**

   **Campus Alerts:** You will be asked to provide emergency contact information that will be used for the Campus Alert system. You can enter your phone number to receive text messages and/or voicemail alerts. The Campus Alert system will notify you via text message and/or voicemail regarding emergencies on campus. This information is confidential and will not be used for communicating anything other than actual emergencies.

   **Email Forwarding:** You have the option of using the OSU Outlook/Exchange email system, or you can opt to have your email forwarded to another e-mail address. You may change your email destination any time by logging into your O-Key account and click on “Email Destination.”

   **Note:** If you forward your email to another account, it will not be accessible from the OSU Outlook/Exchange system. Also, all previously received email messages will be deleted.

   **Password Expiration:** O-Key passwords expire every 120 days to ensure the security of your account. You will receive an e-mail notifying you of your password expiration 30 days before it is set to expire, or you can monitor this on the first page of your O-Key account.

   For questions about your O-Key account, please contact the IT Help Desk at helpdesk@okstate.edu or 405.744.HELP (4357)

As a Gateway student at Northern Oklahoma College Stillwater, you have TWO separate email and financial accounts—one with NOC and one with OSU. These have separate logins. It is VERY important that you follow the steps in this packet to setup and maintain these accounts. As a Gateway student you will have TWO IDs and TWO financial accounts. YOU are responsible for both. Be sure to check your OSU bursar account balance. NOC financial aid will not pay OSU charges, but you may apply any NOC refunds to OSU charges. You will receive OSU holds [academic, enrollment, and charging] if OSU balance is not paid and the holds will prohibit future enrollment until paid.
