**Need to Know:**

- Not every scholarship is available for award every year. Funding determines availability.

**PRIORITY DEADLINE:** Applications for the Presidential Leadership Scholarship, the NOC/OSU Gateway Ambassadors Scholarship or the State Regents Academic Scholarship must be submitted by February 20. Priority deadline for all other scholarships is February 20 with scholarships awarded to qualified applicants on a first come, first serve basis until August 25. For new or transfer students, spring deadline is January 25.

- The scholarship committees on each campus shall determine the recipients for the scholarship awards. The Institutional Scholarship Office administers the scholarship awards.

- Priority will be given to applicants who are Oklahoma residents, United States citizens or permanent residents.

- Students on institutional academic achievement scholarships, i.e., PLC, academic, valedictorian, salutatorian, freshman or sophomore regents, etc. must be an Oklahoma resident and enrolled full-time.

- Maximum institutional scholarships may not exceed five (5) full-time academic semesters (does not include summer courses) unless otherwise stated.

- Scholarship funds will be applied for fall and spring semesters unless otherwise stated. Students who have a remaining scholarship balance within the current academic year and have maintained scholarship retention criteria may use their remaining balance during the summer semester.

- All students must reapply each academic year. A complete list of scholarships with criteria are available at www.noc.edu/scholarships.

- To be considered for scholarships, applicants must adhere to the institutional academic standards policies, drug and alcohol policies, student conduct policies, and participation agreements. Failure to comply may result in removal of scholarship award. All policies and procedures may be found in the NOC Student Handbook at www.noc.edu/student-handbook.
Any student whose scholarship award has been removed from Northern Oklahoma College may appeal the removal by filling out the Scholarship Appeal Form and submitting it along with supporting documentation to the Scholarship Office.

Scholarship appeals are limited to one year from the start of the semester last enrolled.

While every effort is taken to ensure that the correct information is presented, current NOC policy, State Regents’ policy, NOC Foundation policy, state and federal laws and/or the intent of the donor who established a Foundation scholarship program (as applicable) will override any outdated or erroneous information listed here.

Variation from any scholarship policies or procedures require an appeal to the Scholarship Appeals Board. This subcommittee acts as a hearing body on scholarship appeals for students or programs who are not in compliance with the institutional policies affecting their scholarship awards. Members shall consist of the Vice President for Development and Community Relations, Vice President for Financial Affairs, Vice President for Student Affairs, and the Scholarship Coordinator. The Appeals Board will evaluate information related to each appeal and solicit any additional documentation from the appropriate department/program representative and/or campus scholarship committee chair when necessary. Final decisions shall be submitted in writing to the President for approval.

Recipients of participation scholarships are required to reside in resident housing in accordance with the Statement of College Housing Policy outlined in the NOC Student Handbook www.noc.edu/student-handbook.

Showing gratitude is an essential part of receiving a private scholarship. It is important that recipients thank our donors. Upon accepting your private scholarship from the NOC Foundation, we ask that you acknowledge it with a thank you letter submitted to the Institutional Scholarship Office. The NOC Foundation hosts various events to connect scholarship recipients with donors. It is expected that recipients will attend these events.

Scholarship awards will be reviewed after the Financial Aid Office has determined the student’s Cost of Attendance* budget. If a student receives state and federal financial aid grants, i.e., Pell, SEOG, OTAG, OHLAP, etc. their scholarship award will be applied secondary and cannot exceed $1,000 of the actual student bill for the current semester. Scholarships sent to the college from outside sources will be refunded up to, but not to exceed the Cost of Attendance budget. Loans will be reduced before any other aid sources.

* Cost of Attendance means the aggregate cost for a student to enroll in a degree program. This includes tuition, the cost of books, fees and other related educational expenses, as well as the cost of on- or off-campus room and board. View and compare tuition and fees at http://www.noc.edu/tuition.

Participation sponsors must collaborate with the Scholarship Office prior to making awards to students to assure maximization of resources and to avoid over-award situations resulting in post-notification adjustments. This guideline is intended to maximize the use of all college resources for scholarships and grants, as well as to assure clear and accurate communication with students.
