Housing and Board Contract

Fall___________ Spring___________

THIS IS A LEGAL AND BINDING DOCUMENT WITH FINANCIAL OBLIGATIONS. PLEASE READ CAREFULLY BEFORE ACCEPTING.

HOUSING AND BOARD CONTRACT TERMS AND CONDITIONS

The COLLEGE HOUSING AND BOARD CONTRACT (CHBC) is a legally binding agreement between the student and Northern Oklahoma College (NOC), covering room accommodations in College residence halls and food service operations provided by the College’s contracted vendor. Both parties assume the rights and responsibilities outlined in the Terms and Conditions of Occupancy and all supporting documents upon acceptance. No term or condition of this contract can be waived and no statement made by NOC or its Agents is considered a waiver of any term or condition of the contract, whether expressed or implied. The honoring of the contract is subject to the proper completion and submission of all appropriate Student Affairs documents (e.g., Roommate, Medical History, etc.) by the Student. This contract is contingent upon receipt of the Housing Deposit. These Terms and Conditions for Occupancy shall remain in full force and effect until the end of the contract period, subject to the reservation of rights below. The CHBC is nontransferable.

TERMS AND CONDITIONS OF OCCUPANCY

A. CONTRACTED PERIOD The term of the contract is for the entire period indicated on the final page of the contract, commencing with the opening of the living areas by the institution or the date the Student is permitted to move in, whichever comes first. Any student who leaves College housing during the contract period without an official, written, approved contract release from the Dean of Students or designee continues to be liable for charges during the contract period. Unless the Student has obtained written permission from the Dean of Students or designee, the Student agrees to vacate room when living areas are closed.

B. STUDENT STATUS Residents must be enrolled in six (6) or more hours at NOC. Exception to this requirement must be requested in advance and in writing to the Dean of Students or designee.

C. MEAL PLAN REQUIREMENT Meal plans are required for all on-campus residents. The Student may increase his/her meal plan at any time, but can only decrease his/her meal plan through the end of Friday of the second week of classes. Meal plan usage is not available outside of the contract periods or during academic recesses (e.g., Winter Break). The Student is required to show his/her NOC ID when purchasing food on campus. The Student may change his/her meal plan at semester.

D. ROOM AND BOARD RATES Room and board rates are published online prior to the beginning of fall semester and are available from the Office of Financial Affairs as well as from the Office of Student Affairs. Room and board charges are assessed by the semester and are due as billed by the Office of Financial Affairs. Students who contract for College housing for less than a full semester will be assessed room and board charges according to the following schedule:

1. Students who move in after the first day of the semester will be assessed a prorated rate for room and board.

2. Students who move out within the first two (2) weeks of the semester will be assessed a prorated rate for room and board.
E. PERSONAL PROPERTY The College does not carry insurance covering the Student’s personal property. The Student is encouraged to obtain personal renter’s insurance to cover personal property. The College is not liable and shall assume no responsibility for losses, damages or injuries of any sort occurring to personally owned property, furniture, or resulting from equipment malfunction or failure, or of any cause whatsoever. The College shall assume no responsibility for theft, destruction or loss of money, valuables or other personal property belonging to, or in the custody of, the Student for any cause, whether such loss occurs in the Student’s room or public areas.

F. HOUSING, BOARD, AND OTHER CHARGES The Student authorizes the College to post housing and board charges directly to his/her NOC Student Account. The Student understands that the charges may include, but are not limited to, room costs, board plan costs, fines for misconduct, reimbursement of damage costs and lost key fees. The Student should contact the Office of Student Affairs directly for a description of charges. The Student is obligated to pay any balance in full by the due date. If the Student fails to comply with these terms, he/she will not be allowed to register for further classes or receive transcripts or diplomas and may be denied other College services. If the Student fails to make timely payment of all or any part of assessed charges, he/she will be liable to the College for all costs the College incurs in pursuing collection against the Student. The Student understands and agrees to these terms and accepts any debt arising in connection with this Contract as his/her personal responsibility.

G. CONTRACT CANCELLATION AFTER THE BEGINNING OF THE CONTRACT PERIOD This Contract is binding for the entire indicated contract period. The Student will be required to fulfill the financial obligations of this contract even if he/she physically moves out of the assigned campus housing. The Student may not cancel his/her Housing and Board Contract at the end of the fall term unless approved in writing by the Office of Student Affairs for one or more of the reasons stated below:

1. GRADUATION If the Student graduates at the end of the term and he/she notifies the Office of Student Affairs in advance of the end of the semester.
2. MARRIAGE If the Student has married or is getting married during the contract period, he/she may petition the Office of Student Affairs to be released from the contract.
3. HARDSHIP If the Student experiences a significant financial, physical, medical or other hardship, he/she may petition the Office of Student Affairs to be released from the contract. If the petition is approved, the Student may be responsible for a prorated portion of the housing and board charge.
4. WITHDRAWAL FROM THE COLLEGE If the Student officially withdraws from the College, the Housing and Board Contract may be cancelled. The Student will be required to fulfill the financial obligations of this contract.

H. CANCELLATION BY THE COLLEGE If the Student is dismissed from the College or from College Housing; he/she will be responsible for the housing and meal plan charges for the remainder of the contractual period. The Student is still required to properly check out of College housing. Improper checkouts carry a financial penalty plus the charge for a lock change and key replacement if key is not returned at the time of checkout.

I. ASSIGNMENT RIGHTS The College reserves the right to assign student rooms to make effective use of available space, to consolidate students and to use unoccupied space in any facility. This agreement does not guarantee specific assignments or roommates. The College reserves the right to reassign the Student at any time. Possible reasons for reassigning a student include, but are not limited to, when, in the opinion of the Dean of Students or designee, the Student is considered (a) disruptive to his/her residential community, (b) incompatible with his/her roommate, or (c) unwilling to abide by College rules and regulations. Other reasons include, but are not limited to, “Acts of God”. The Student is expected to communicate with and to live cooperatively with roommate(s), to be respectful of differences, and to collectively agree on living habits. Students also may be assigned to temporary space. The Student so assigned will be reassigned to double occupancy spaces as they become available. The Student who has not contracted for single occupancy, does not have a roommate and has been requested to consolidate but has not, must pay the single room rate.

J. ROOM ENTRY AND INSPECTION POLICY NOC Staff reserves the right to enter into any campus residence at any time inspection is deemed necessary, with or without the student being present. Such inspection may be
made for safety, maintenance, management, welfare, sanitation and/or suspected violation of regulations, or of suspected violation of local, state or federal law, or other cause as deemed necessary by proper school officials. In the event of an emergency or other exigent circumstance, NOC may remove the Student’s belongings for cleaning, repair, storage and/or protection. The Student recognizes that under the circumstances outlined in this paragraph that he/she does not have a “right to privacy” and is giving consent to entry and/or inspection.

K. ROOM CONDITION AND FURNISHINGS The College supplies basic furniture. The Student may not remove College-provided furnishings from his/her unit, remove furnishings from common areas, disassemble furniture or detach fixed furnishings without written consent from the Dean of Students or designee. The Student is responsible for the condition of rooms, furnishings and fixtures furnished by the College, less normal wear and tear. The Student agrees to submit a Room Condition Report at the time of check-in. Upon checkout, the Student will pay for missing furniture, repair of and damages beyond normal wear and tear to restore the room and/or furnishings to the condition noted on the Room Condition Report (See attached fee sheet for suggested damage fees.) The Student’s signature on the Room Condition Report establishes his/her acceptance of the condition of the room and contents at the time of check-in and becomes the standard for the condition of the room at the time of checkout. Unless it can be otherwise conclusively determined, all students assigned to a double occupancy room will be responsible for an equal share of liability. All of the residents of a building or floor may be held jointly responsible for loss, damage and/or defacement to common areas and/or furnishings. When charges are allocated to a student(s), the payments will be charged to the Student’s NOC Student Account in accordance with established policies. The Student who wishes to bring additional furniture into his/her room must adhere to all Oklahoma state fire codes. All furniture must be flame retardant. The Student is not allowed to bring any type of loft bed or bed unit, homemade or commercially built. The Student must furnish his/her own linens, pillow, towels and personal items.

L. UNAUTHORIZED ACCESS AND/OR OCCUPANCY If the Student occupies a room or residence without authorization at any time outside of his/her contract dates (e.g., before scheduled move-in date, after scheduled termination of contract date, after the closure of living areas for winter break or after the Student’s eligibility has ceased), he/she will be charged an unauthorized occupancy fee for each day or portion thereof until the space is completely vacated. A space is not considered completely vacated until all of the belongings are removed and the key is returned. The Student may not remain as a guest in the living area after checking out. Occupying a room or residence without authorization may also result in withdrawal of current and/or future housing privileges, fines and other disciplinary action.

M. COMMERCIAL/BUSINESS USE OF FACILITIES Student residences are provided in support of the educational mission of the College and are not intended to serve as centers for private enterprise or personal profit in any form.

N. CONSTRUCTION AND RENOVATION Construction, remodeling or repair of buildings on NOC property in the vicinity of resident housing may occur in the academic year. Construction is expected to occur during normal daytime hours and will result in disturbances and disruptions including, but not limited to, increased noise and dust in the area around campus residences with both planned and unplanned utility shutdowns. By signing this Contract, the Student agrees that he/she has been advised of said construction and acknowledges that there will be disturbances and disruptions resulting from such construction and has agreed to such.

O. RIGHT TO MODIFY The College reserves the right to make and promulgate such modifications or additional rules and regulations or both, which may be reasonably necessary or appropriate for the safety, care and general welfare of the Student. The College reserves the right to adjust charges or costs for accommodations, facilities and dining services.

P. IDENTIFICATION The Student, for himself/herself, and his/her representatives, heirs, assigns and successors, releases NOC and its affiliates, officers, directors, trustees, employees and agents thereof (hereinafter the “Indemnified Parties”) from liability for and agrees to indemnify the Indemnified Parties against all losses incurred by the Indemnified Parties as a result of (a) the Student’s failure to fulfill any condition of this Housing and Board Contract; (b) any and all liability for injury or loss relating to the Student’s use and occupancy of the bedroom, apartment suite or residence hall;
(c) any damage or injury happening in or about the bedroom, apartment suite or residence hall to the Student’s guests, licensees, invitees or such person’s property; and (d) the Student’s failure to comply with any applicable laws, rules or regulations.

Q. RESIDENT STUDENT RIGHTS AND RESPONSIBILITIES Residents agree to abide by all applicable laws and College regulations and to respect the rights, the privileges and the property of other members of the College community and NOC visitors. The Student who fails to abide by this agreement will be subject to College disciplinary procedures as well as possible termination of his/her CHBC. Full details of College regulations and disciplinary procedures can be found at www.noc.edu/student-handbook.

Residence hall rates reflect double-room occupancy. Depending upon availability, a private room may be selected for an additional $850 per semester.

Meal plans may not be carried over to the next semester. An additional 50-block meal plan may be purchased for $320 only in addition to the 200-block meal plan.

Life changing.
Fall semester room and board charges are due August 5, 2019.  
Spring semester room and board charges are due January 6, 2020.

To avoid a 10 percent late fee, room and board payments must be paid in full on or before the end of the first nine weeks, or a payment plan must be in place. Payment may be mailed, paid online or paid in person at the Finance Office. Northern Oklahoma College accepts cash, check or debit card with a PIN at the cashier window. Credit cards are accepted online only. Pay online by going to www.noc.edu and logging into myNOC; click Campus Connect, Account Info and then Review/Pay Account.

Students receiving financial aid or scholarships should verify their accounts to ensure that awarded aid has been applied and is sufficient to cover charges. Any remaining balance must be paid in full or a payment plan must be set up.

A Student ID card will be issued upon initial enrollment. This ID card will serve as a meal card, door access card and refund card. Lost or stolen cards must be reported to the Finance Office. To replace a card, the student must come to the Finance Office, pay a $10 card replacement fee and then go to the Registrar’s Office to obtain a new card. If the ID card is set up as the student’s refund choice, the student must call Herring Bank to reactivate the card.
