This is a suggested sequence timeline only. A student may require more than four semesters to complete an Associate in Arts degree.

**These program courses are typically offered only once a year. See course descriptions for fall or spring designations and plan accordingly.

This suggested curriculum includes degree requirements and courses that are usually completed in the first two years of a four-year curriculum. Consult with the university or college of your choice and its catalog curriculum as you make plans on where to transfer. Be careful to select the courses that will meet all requirements for both the Associate and Baccalaureate degree programs.
