SOC 2223 Social Problems		3 hours					
SOC 2013 Marriage/Family		3 hours					
SPCH1713 Intro to Oral Communication		3 hours					
HPET 1113 Nutrition (OR)		2-3 hours					
1223 Health, Education, and Wellness (OR) 2212 First Aid		3 hours					
TOTAL CREDIT HOURS		60					

This suggested curriculum includes degree requirements and courses that are usually completed in the first two years of a four-year curriculum. Consult with the university or college of your choice and its catalog curriculum as you make plans on where to transfer. Be careful to select the courses that will meet all requirements for both the Associate and Baccalaureate degree programs.

The social sciences, in general, are concerned with the behavior of people under varying circumstances. For example, history examines the behavior of societies through time, geography studies behavior in space, and psychology considers individual behavior.

Career Opportunities

- Business
- Counselor
- Social Services
- Teacher
- Researcher

NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by A.C.T. test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page by clicking on the following link: ACT | Northern Oklahoma College (<http://www.noc.edu/act>) for placement guidelines.

Note: Consideration should be given to foreign language and additional humanities to meet the requirements of many baccalaureate degrees.
