MATH 2023 Elementary Statistics	3 hours		
**MATH 2103 Elementary Calculus (OR) higher level MATH course	3 hours		
PRDV 2321 Professional Development	1 hour		
TOTAL CREDIT HOURS	61		
		This is a suggested sequence timeline only. A student may require more than four semesters to complete an Associate in Science degree.	
		**These program courses are typically offered only once a year. See course descriptions for fall or spring designations and plan accordingly.	
			<p>The Associate in Science degree in Business Administration with a Management Information Systems Option is designed to provide the student with the first two years of general requirements for transfer to a four-year institution. The suggested curriculum is outlined to the left. Alternate courses and electives should be selected carefully only after the student and the major faculty academic advisor have consulted the catalog of the selected transfer college.</p> <p>The Business Division and this degree program are accredited by the Accreditation Council of Business Schools and Programs (ACBSP).</p> <p>Outstanding Business students are invited to join Kappa Beta Delta, the business honor society recognized by ACBSP.</p> <p>Career Opportunities</p> <ul style="list-style-type: none"> • Business Information • System Analyst • Information Systems • Specialist <p>NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by A.C.T. test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page by clicking on the following link: ACT Northern Oklahoma College (http://www.noc.edu/act) for placement guidelines.</p>
