

**The Northern Oklahoma College Employee Professional Development Incentive  
Program for the 2017-2018 Academic Year**

Northern Oklahoma College is pleased to announce that faculty and staff can participate in the professional development incentive program for the 2017-2018 academic year. Eight \$25.00 gift cards will be given to faculty, and eight \$25.00 gift cards will be given to staff in December 2017. Each **documented** professional development activity will be entered in the drawing, except professional development conducted during in-service sessions. The number of drawing entries for each professional development activity is as follows—

- **1 entry—internal and external professional development sessions, webinars, or trainings lasting a day or less**
- **2 entries—internal and external professional development sessions, webinars, or trainings lasting two days or longer**
- **3 entries—coursework at a Higher Learning institution**

The professional development activity must pertain to the employee's position and may require a supervisor's signature to be eligible.

Documentation can be accomplished in one of the following three ways—

- 1) completing a Professional Development Evaluation found under the "Instructional Resources and Professional Development" link on myNOC
- 2) sending the professional development activity's program or agenda
- 3) sending a college transcript of coursework that has or will be completed during the 2017-2018 academic year

Send documentation of professional development activity via courier or email to DeLisa Ging at [delisa.ging@noc.edu](mailto:delisa.ging@noc.edu).

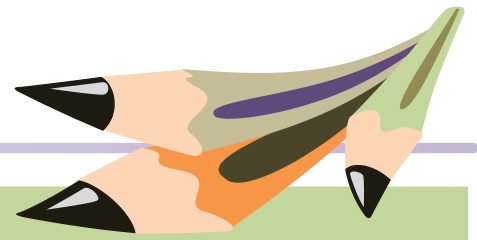

NOC values your commitment to professionalism and academic excellence through the coursework you pursue and the many professional development offerings, trainings, and conferences you attend. This incentive program was funded through Presidential Partners in an attempt to increase participation in professional development opportunities on our campuses and in professional organizations.
