MATH 2023 Elementary Statistics	3
Recommended Electives	6

This is a suggested sequence timeline only. A student may require more than four semesters to complete an Associate in Applied Science degree.

**These program courses are typically offered only once a year. See course descriptions for fall or spring designations and plan accordingly.

The Associate in Applied Science degree program in Accounting—Business Management can be completed in conjunction with the Associate in Science degree in Business Administration, allowing a student to graduate from Northern holding two degrees. Twelve credit hours in addition to the Associate in Science in Business Administration will complete the dual degree program. The Business Division is accredited by the Accreditation Council of Business Schools and Programs (ACBSP). Outstanding Business students are invited to join Kappa Beta Delta, the business honor society recognized by ACBSP. This degree program is not yet accredited by ACBSP.

Career Opportunities:
 Basic Entrepreneurial Activities
 Bookkeeping/
 Accounting Clerk
 Entry-Level Management

NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by ACT test scores or by COMPASS test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, some or all of the following four courses may need to be taken:

- MATH 0023 Concepts of Algebra
- MATH 0123 Intermediate Algebra
- ENGL 0123 Basic Composition
- READ 0123 Critical Content Reading and Scientific Reasoning
