GENERAL EDUCATION 22	FIRST SEMESTER16	<p>The Associate in Applied Science degree program in Accounting—Business Management can be completed in conjunction with the Associate in Science degree in Business Administration, allowing a student to graduate from Northern holding two degrees. Twelve credit hours in addition to the Associate in Science in Business Administration will complete the dual degree program.</p> <p>The Business Division and this degree program are accredited by the Accreditation Council of Business Schools and Programs (ACBSP). Outstanding Business students are invited to join Kappa Beta Delta, the business honor society recognized by ACBSP.</p> <p>Career Opportunities: Basic Entrepreneurial Activities Bookkeeping/ Accounting Clerk Entry-Level Management</p> <p style="font-size: small; color: #FFD700;">NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by ACT test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page at http://www.noc.edu/act for placement guidelines.</p>
