A student may require more than four semesters to complete this Associate in Science degree.</p> <p>**These program courses are typically offered only once a year. See course descriptions for fall or spring designations and plan accordingly.</p> <p>NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by ACT test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page at http://www.noc.edu/act for placement guidelines.</p>		Credit Hours	FIRST SEMESTER	16	ENGL 1113 English Composition I	3	BSAD 1113 Digital/Financial Literacy3.....	3	ORNT 1101 Freshman Orientation	1	HPET 2212 First Aid	2	MATH 1513 College Algebra	3	BISI 1114 General Biology	4	SECOND SEMESTER	14	ENGL 1213 English Composition II	3	CHEM 1314 General Chemistry I	4	HPET 2633 Care & Prevention of Ath Injuries .	3	General Education Electives	4	THIRD SEMESTER	15	POLI 1113 American Government	3	Humanities Elective	3	BISI 2104 Human Anatomy	4	HPET 1113 Nutrition	3	HPET 2382 Athletic Training-Practicum I	2	FOURTH SEMESTER	15	HIST 1483 American History to 1877 (or)		HIST 1493 American History Since 1877	3	Humanities Elective	3	BISI 2204 Human Physiology	4	HPET 1223 Health Ed. and Wellness	3	HPET 2482 Athletic Training-Practicum II	2	<p>The Associate in Science degree in Athletic Training is designed to prepare students to pursue a bachelor's degree at a four-year institution. Under the supervision of a licensed physician, the athletic trainer serves an important role in the health care system of recognizing, preventing, evaluating, managing, and rehabilitating sports injuries. Athletic Training is recognized by the American Medical Association as an allied health care profession. Specifically, the Athletic Trainer specializes in five practice areas: Prevention of athletic injuries; Recognition, evaluation and immediate care of athletic injuries; Rehabilitation and reconditioning of athletic injuries; Health care administration; Education and counseling.</p> <p>Students who desire to become candidates in Athletic Training are required to make a formal application to the Athletic Training department for admission to the program. This application must be submitted on or before April 15th and formal approval is required. GPA and ACT composite scores are weighed heavily as acceptance is highly competitive.</p> <p>Career Opportunities Athletic Trainer Physical Therapist Strength & Conditioning</p>
