CRMJ 2233 Juvenile Delinquency	3 hours		
SPCH 1713 Intro to Oral Communications	3 hours		
HPET 1113 Nutrition (OR)	3 hours		
1223 Health, Education, and Wellness (OR) 2212 First Aid			
<b>TOTAL CREDIT HOURS</b>	<b>60</b>		

**This suggested curriculum includes degree requirements and courses that are usually completed in the first two years of a four-year curriculum. Consult with the university or college of your choice and its catalog curriculum as you make plans on where to transfer. Be careful to select the courses that will meet all requirements for both the Associate and Baccalaureate degree programs.**

**The social sciences, in general, are concerned use varying perspectives to discuss the behavior of people. Behavioral scientists seek to understand why people do what they do. This degree program will prepare students to pursue any of the degrees within the field of Behavioral Sciences— Psychology, Sociology, Social Psychology, or Social Work.**

**Career Opportunities**

- Business
- Counselor
- Social Services
- Psychologist
- Forensics
- Community Health
- Educational Psychology
- Research

NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by A.C.T. test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page by clicking on the following link: ACT | Northern Oklahoma College (<http://www.noc.edu/act>) for placement guidelines.

*Note: Consideration should be given to foreign language and additional humanities to meet the requirements of many baccalaureate degrees.*
