Electives to bring total to .................................................. 124

Minimum Grade Requirements
1. Average in all college course work and course work at UCO ..............2.75
2. Average in major courses ..................................................2.75
3. A grade of "C" or better must be earned in each course in the major to count toward meeting degree requirements.

#A minimum of 60 hours must be taken from a baccalaureate granting institution. See your academic advisor about advisable limits on taking these courses. While these courses may be taken at NOC, taking too many of them would result in taking more hours at UCO than the minimum. A good general guideline would be a limit of 64 total hours from a community college.

Students must meet all bachelor degree requirements at UCO to include minimums of:
40 hours of upper division coursework
30 hours in residence at UCO
15 of the last 30 hours must be taken in residence at UCO
60 hours from baccalaureate granting institutions

Additional degree requirements can be found in the UCO Undergraduate Catalog.

Program-to-Program Transfer policies are available in the Introduction for Program-to-Program Agreements on the UCO website at the top of the list of agreements. Links to the agreements can be found on the Academic Affairs or Transfer Student Support web pages.
