Joshua Smith
Head Coach

Coach Josh Smith joined the Northern Oklahoma College soccer program in July 2014 as head coach of the women’s team. He has brought a passion for teaching and for soccer that has been instrumental in helping the players accomplish their academic and athletic goals.

Previously he served as assistant boys’ soccer coach and math teacher at North Forney High School, Forney, Texas where he led the junior varsity team to a winning season and a favorable position in the district. He then moved to Crandall (Texas) High School as head girls’ soccer and cross country coach and as math and special education teacher. At Crandall, Smith led the soccer program to its first-ever winning season and a playoff berth. He also expanded the program from about 16 athletes to more than 50 and started the first JV program. That program has produced numerous collegiate soccer players.

During the fall of 2013, Smith served as a volunteer assistant soccer coach at Cedar Valley College at Lancaster, Texas where he trained the goalkeepers.

Smith earned a Bachelor of Arts degree in Communication Studies with a minor in Mathematics from Grove City (Pennsylvania.) College and a Master of Arts in Curriculum and Instruction from the University of Mississippi.

In addition to coaching, Smith teaches courses for the Division of Mathematics. He and his wife, Jennifer, have one son, Hunter.
