History to 1877 3 hours (or) HIST 1493 Amer. History Since 1877 Fourth Semester 13 Total Credit Hours Science Elective 3 hours *Program/Gen Ed Electives 9 hours 9 hours (3 courses) *Hours from recommended program electives and general education electives in Social Sciences may be combined for final 9 hours required to graduate. <i>This is a suggested sequence timeline only. A student may require more than four semesters to complete an Associate in Arts degree.</i>	This suggested curriculum includes degree requirements and courses that are usually completed in the first two years of a four-year curriculum. Consult with the university or college of your choice and its catalog curriculum as you make plans on where to transfer. Be careful to select the courses that will meet all requirements for both the Associate and Baccalaureate degree programs. The social sciences, in general, are concerned with the behavior of people under varying circumstances. For example, history examines the behavior of societies through time, geography studies behavior in space, and psychology considers individual behavior. Career Opportunities Business Counselor Social Services Teacher Researcher NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by A.C.T. test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page by clicking on the following link: http://www.noc.edu/act for placement guidelines.
