The following is an example 8-semester plan. This is used to illustrate the course sequencing and the expectations for course loading. Students may use this as a guide as they plan their undergraduate education, but should adjust it to fit their personal goals. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester.

This curriculum identifies courses to be taken at NOC, that are equivalent to or will substitute for required courses counting toward the major in Sports and Coaching Science (2017-2018 OSU EHA/SPCS degree sheet only).
