Off Campus Reports**						6	8	6	8	

As of this advisory, NOC is aware of 5 individuals institution-wide who have tested positive for COVID-19 since the start of the pandemic, and who were on campus during the time when they may have been infected.

Since June 1, 2020 there have been a total of 13 positive cases reported involving NOC employees and students.

\* This total includes information confirmed at the time of report.

\*\*Off campus reports include individuals who were never physically present at NOC locations (e.g. online, concurrent, UC).
