## OBI blood drive October 6

NOC Enid is hosting an OBI Blood Drive Tuesday, Oct. 6. The Blood Drive will be from 10 a.m. – 3 p.m. in the Gantz Center Ballroom. To schedule an appointment, call 580.233.9323. All persons signing up to donate will receive a free t-shirt. Donations are also being tested for Covid-19 antibodies to identify potential convalescent plasma donors.

## Covid-19 statistics for Garfield County

By Kiersten Ala

There is a total of 69,354 cases of Covid-19 currently in the state of Oklahoma.

A few of these cases come from the Garfield county.

The county currently has 1, 315 cases of the virus and has 17 deaths.

These deaths have all been in the city of Enid. Despite the rise of the virus, schools remain to do in person learn-

ing. Every Enid public school is trying their best to social distance.

Students and Faculty who feel ill will be requested to be in isolation and no return until proof of being negative of the virus.

There is no further information on Enid schools returning to at home learning.

## New Era beginning for Jets softball

By Dru Bryant

Six months ago, Covid-19 took away the spring athlete's season.

The NOC Softball program had been grinding towards their goal of a shot at the National Championship when the opportunity was abruptly taken all away.

Returning pitcher, Ashleigh McCause, says "The virus took away the thing I love most, softball. And now every time I step on that field, I take nothing for granted."

With Covid-19 still impacting the Enid community, the

athletes take a symptom test every morning. Also, splitting into two groups for social distancing requirements and wearing masks, before and after practice.

While at practice only athletic trainers are allowed to fill up the water bottles.

With all the restrictions on the players, Head Coach Megan Hill says "We are rolling with the punches."

With the coaches and players hungrier than ever for a chance to finish what they started last year, the New Era of NOC Softball has begun.

Life changing.

## Northern Oklahoma College Blood Drive

Tuesday, October 6

10 a.m. - 3 p.m.

Gantz Center - Ballroom

To schedule an appointment, contact Oklahoma Blood Institute at 580-233-9323.

**All donations\* will be tested\*\* for COVID-19 antibodies to identify potential convalescent plasma donors.**

Appointments preferred, to help with social distancing. Walk-ins accepted as schedule allows. Masks required for all donors.

\*Donors ages 16 or 17-years old need parental consent to be screened for COVID-19 antibodies and are not eligible to donate convalescent plasma. \*\*This test has not been FDA cleared or approved. It has been authorized by the FDA under an EUA (Emergency Use Authorization) for use by authorized laboratories. The test has been authorized only for the detection of the IgG antibody against SARS-CoV-2, not for any other viruses or pathogens. Blood drives will be managed according to CDC safety recommendations. Test results will be made available post-donation.

## Little Known Movie Reviews

By Joshua Hinton

This semester let us start with a fantasy movie known as the Seventh Son.

This movie has a few big names in it including Jeff Bridges, Julianne Moore, Alicia Vikander, and Djimon Hounsou.

The movie follows an Old Spook (Bridges) who encounters the queen of the witches Mother Malkin (Moore), who he trapped decades ago.

Upon the encounter Mother Malkin kills the Spooks ap-

prentice forcing him to go out and enlist a new apprentice to help him fight Mother Malkin stopping her before the rise of the blood moon.

This movie is a fun fantasy movie if one likes witches, magic, and monsters it should be enjoyable for them.

The overall story seems relatively rushed and checks all the cliché boxes when it comes to fantasy movies, but overall, still a fun watch so I give it a 5/10.

Plus, it is on Netflix right now which is a bonus.
