ab.=Abstention

### 1. NOC Graduates

1.1) How do Northern graduates perform in relationship to other 2 year graduates?

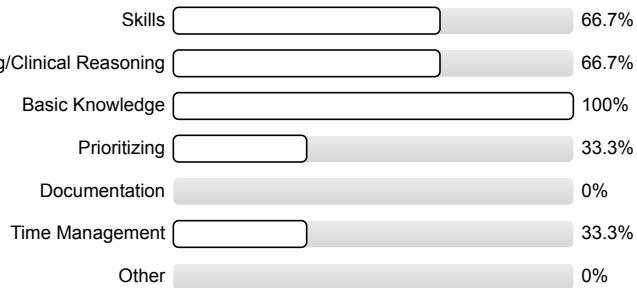

n=2  
av.=1.5  
dev.=0.71

1.2) Overall would you hire/rehire Northern graduates?

n=3  
av.=1  
dev.=0

1.3) Overall Northern nursing graduates are strong in: (Choose all that apply)

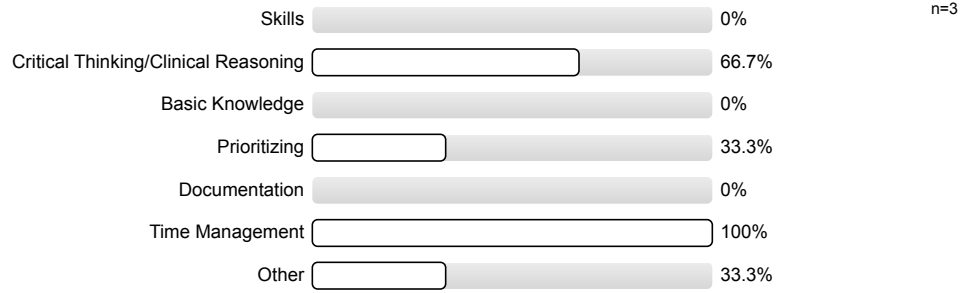

n=3

1.4) If you chose "other", please specify.

*Strengths and weaknesses are variable on graduate.*

1.5) Overall Northern graduates need to strengthen: (Choose all that apply)

1.6) If you chose "other", please specify

*see comment above*

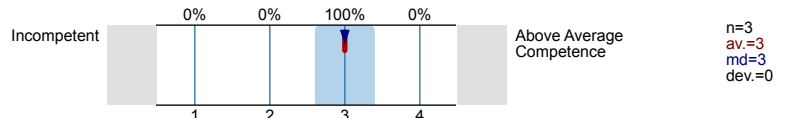

*Time management is always an area I mention to strengthen. Not anything against NOC.*

1.7) How many Northern graduates would you estimate have been employed at your agency within the last 3 years?

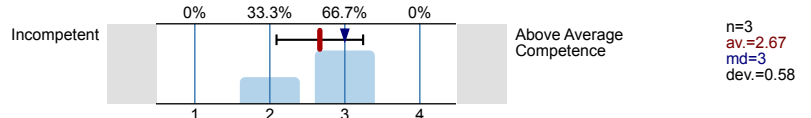

## 2. NOC competencies

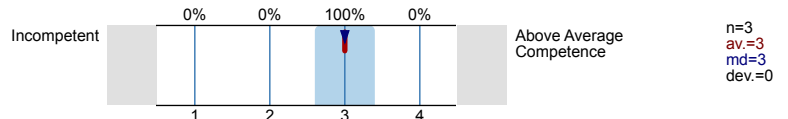

2.1) Synthesize principles from psychosociospiritual, biophysical, and nursing sciences to implement the technical nursing role in structured and community-based health care setting.

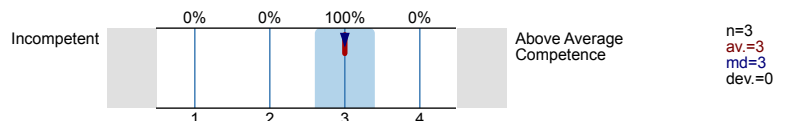

2.2) Incorporate critical thinking/clinical reasoning and the nursing process to manage the needs of clients experiencing health changes with relatively predictable outcomes throughout the life span.

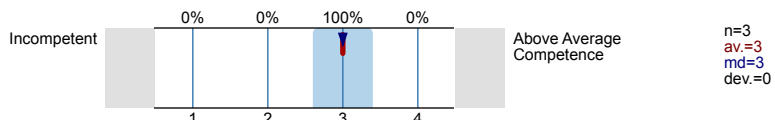

2.3) Create relationships by combining therapeutic communication and interpersonal skills to facilitate achievement of holistic health within the cultural context.

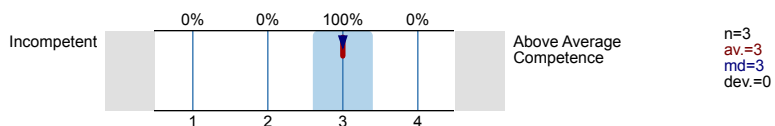

2.4) Manage, prioritize and provide nursing care for clients and groups of clients, utilizing resources throughout the community.

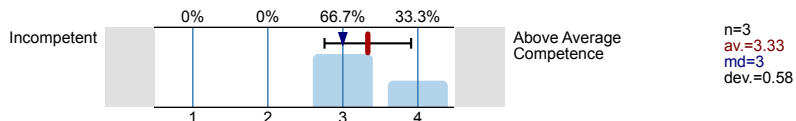

2.5) Express personal, ethical, and legal accountability in providing competent and compassionate nursing care.

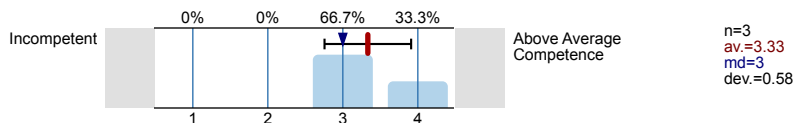

2.6) Collaborate with the client, family, and multidisciplinary members of the health care team to provide caring, holistic client support.

2.7) Facilitate the client/family in acquiring information and skills to achieve optimal level of holistic health.

2.8) Evaluate healthcare issues in a global prospective.

2.9) Please add any other comments below.

*We are loving all of the Clinical students!*
