

Greater Gifts Drive

Northern Oklahoma College

Foundation

November 2, 2020

Dear Alumni and Friends:

As we quickly approach the end of 2020, a year that has brought so many unprecedented changes to all of our lives, the Northern Oklahoma College Foundation is beyond grateful for the continued financial support of those selfless donors who no matter what, come together to support the Foundation and the mission of Northern Oklahoma College. The Greater Gifts Drive 2020-2021 is the annual fund drive that allows faculty, staff, alumni, friends and businesses to offer support to Northern Oklahoma College. During this past academic year, the Foundation awarded over \$245,000 in scholarship funds with 395 individual scholarships. Your annual contribution ensures that Northern has the additional resources necessary to support the priorities of the college. With the unforeseen circumstances from the COVID-19 pandemic for most of this year and for months or years to come, the foundation's continued support of the mission of Northern Oklahoma College is greater than ever.

We respectfully ask for your help by investing in the life-changing experiences of students at Northern Oklahoma College and making an end-of-year contribution to the Greater Gifts Drive 2020-2021. Please send your tax deductible donation today or contribute on our website, www.noc.edu/foundation. You may choose how your gift will be used as well as indicate your preference for campus allocation by marking these areas on the gift card below. Otherwise, we will use your unrestricted gift for the college's greatest needs.

Thank you in advance for your commitment and support of the Northern Oklahoma College Foundation and its efforts to help Northern continue to offer students who wish to pursue it, an affordable two-year higher education.

Best wishes for a great and safe holiday season!

Sincerely,

Sheri Snyder
