

Northern Oklahoma College Course Placement

The **National ACT**, **National SAT** or **NOC On-Campus ACT** is a requirement of all incoming freshmen to Northern Oklahoma College. If ACT/SAT scores are more than 3 years old or below a 19 in any subject area you have the option to enroll based on the original ACT score or challenge that score by taking the ACT sub section exam in that specific subject area for placement into courses. Only admitted NOC students may take the On-Campus ACT once per semester (Fall, Spring, & Summer) and the On-Campus ACT Modular in a specific subject area once per semester. On-Campus ACT costs \$60 and On-Campus ACT sub section costs \$15 per subject area per attempt. There is a 3 day waiting period between attempts to allow for test prep to take place, see below. Allow 4 hours to complete the On-Campus ACT. Extended time on each sub section are as follows. 1.5 hrs. for English, 2 hrs. for Math, and 75 min. for Reading or Science. Must bring a legible, valid and acceptable photo ID, pencils, and calculator for all ACT testing. ***All students (including Concurrent) may challenge any ACT sub-score below 19 by taking an On-Campus ACT sub section exam in that specific subject area.*** Transfer students will be placed into courses according to their transcripts from other educational institutions (sub section testing may be needed). On-Campus ACT scores are specific to the institution in which you tested and cannot be transferred to another institution. National ACT scores can be transferred from one institution to another.

ALL TESTING IS BY APPOINTMENT ONLY. Photo ID is required for all testing.
