An Invitation from President Dr. Cheryl Evans

Thank you for your consideration of support for NOC’s Presidential Partners Program.

Your unrestricted donations to the Presidential Partners Program are invested back into Northern Oklahoma College and used for projects and expenses supporting students and Northern’s mission, which are more important than ever as we continue to provide a safe and secure environment for our students and employees during the COVID-19 pandemic. These can include supplemental funds for students participating in NOC’s Presidential Leadership Class, campus clubs and organizations, sponsorship of students in state and national events/competitions, faculty and staff professional development opportunities, unique activities to recruit students and faculty, promotion of the college and development activities.

As we all continue to find ways to navigate our new normal during these unprecedented times, please consider an investment in the Presidential Partners Program today. NOC Presidential Partners assist students, faculty, staff and administrators who work to provide access to an outstanding, affordable higher education opportunity. Membership in Presidential Partners indicates your desire to continue Northern’s tradition of excellence.
