Exploring Other Majors

Under the "Advising" tab on your main "Students" Screen, you can see an overview of your degree program and you can use the "Major Exploration" tool:

The "Major Exploration" tool allows you to choose another degree program from the dropdown menu:

Once a new degree is selected, you can apply your current coursework to that program to see how many additional hours may be needed if you changed your major:

Academic Integrity Oath

Academic Integrity is valued at Northern Oklahoma College as an integral part of the learning process. It is a measure of individual development pertinent to the goals and purposes of education.

Academic dishonesty or misconduct is not tolerated at Northern Oklahoma College. Whether in the form of plagiarism or cheating, it is a serious matter that can result in expulsion from the institution. Representing someone else's ideas as one's own or using unauthorized notes, aids, or other means to improve scores on an assignment, a project, or an exam will result in disciplinary action.

The Student Handbook further details repercussions for academic dishonesty.

Career Resources

Northern Oklahoma College offers several resources for students in the area of career services. Students interested in exploring career options and aligning their personal attributes with possible careers and college majors can utilize the Focus 2 assessment tool. For further exploration, links to several websites are available to gather information about careers including median salary and the demand for employees in those areas. Students who are ready to enter the workforce or want help preparing for an internship or summer job, services are available to create or improve a resume and prepare for a job interview.

Students who want to meet for a one-on-one consultation in any of these areas can contact Kathleen Swain at kathleen.swain@noc.edu or 580.628.6258.
