

## NURSING - REGISTERED NURSE (RN)

(Note: Program requirements for this degree are offered on NOC Enid, NOC Stillwater, and NOC Tonkawa campuses.

At the beginning of each course listing, the four letter abbreviation indicates the department and the four digits indicate the course code used for enrollment. The total course hour value follows each.)

Program Requirements	Suggested Course Sequence:	
<b>General Education Courses - 13 Total Credit Hours</b>	<b>First Semester 16-17 Total Credit Hours</b>	Nursing is offered on NOC Tonkawa, NOC Enid, and NOC Stillwater locations. Any student interested in nursing can join the Student Nurses Association, both local and national. The nursing program is accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Oklahoma Board of Nursing. Students who desire to become candidates for the Associate degree in Nursing are required to make a formal application to the Division of Nursing for admission. This application must be submitted to the Division of Nursing on or before March 1. Formal approval by the Nursing Division is required before being admitted into actual nursing courses. GPA is heavily weighted since acceptance is highly competitive. Fees for the Nursing program may differ at each NOC location. A Nursing Skills lab fee is charged each semester. Upon completion of this degree a student is eligible to apply to take the NCLEX-RN exam. After successfully passing this exam, the student is eligible to apply for RN licensure.
<b>English Composition Courses</b>	*BIOL 1114 General Biology 4-5 hours	
ENGL 1113 English Composition I 3 hours	(or) *CHEM 1315 General Chemistry I	
ENGL 1213 English Composition II 3 hours	ORNT 1101 Freshman Orientation 1 hour

NURS 2425 Nursing of Adults II Practicum 5 hours	<b>within the last 5 years with a grade of C or</b>	
<b>Total Credit Hours 68 hours</b>	<b>above. This can be waived if a student has a</b>	
Note: General Biology and/or Chemistry I must be complete before enrolling in sophomore-level science course. See course descriptions at the back of the catalog for required sequencing of listed science courses. Students who have been formally accepted into the RN Nursing Program may have the option to have certain courses waived.	<b>degree or is an LPN.</b> <i>This is a suggested sequence timeline only. A student may require more than four semesters to complete an Associate in Applied Science degree.</i> *Students will be required to take MATH 0123 to complete this degree if their ACT score is below 19 in math.	
	<b>Career Opportunities</b>	Registered Nurse (RN)  NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined by A.C.T. test scores--primary or a residual administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page by clicking on the following link: <a href="http://www.noc.edu/act">http://www.noc.edu/act</a> for placement guidelines.
