

## Northern Oklahoma College Course Placement

The **National ACT**, **National SAT** or **NOC On-Campus ACT** is a requirement of all incoming freshmen to Northern Oklahoma College. If ACT/SAT scores are more than 5 years old or below a 19 in any subject area you have the option to enrolled based on the original ACT score or challenge that score by taking the ACT Challenge Exam in that specific subject area for placement into courses. Only admitted NOC students may take the On-Campus ACT once per semester (Fall, Spring, & Summer) and the On-Campus ACT Challenge Exam in a specific subject area once per semester. On-Campus ACT costs \$60 and On-Campus ACT subject Challenge Exam costs \$15 per subject area per attempt. There is a 3 day waiting period between attempts to allow for test prep to take place, see below. Allow 4 hours to complete the On-Campus ACT. Extended time is offered on each Challenge Exam. A legible, valid and acceptable photo ID, pencils, and calculator for all ACT testing is required. **All students (including Concurrent) may challenge any ACT sub-score below 19 by taking an On-Campus ACT Challenge Exam in that specific subject area.** **Transfer students** will be placed into courses according to their transcripts from other educational institutions (subject specific testing may be needed). On-Campus ACT scores are specific to the institution in which you test (not NOC campus) and cannot be transferred to another institution. National ACT scores can be transferred from one institution to another.

**ALL TESTING IS BY APPOINTMENT ONLY. Photo ID is required for all testing.**
