NOC is headed back to Cuba during the early summer of 2022 to explore the culture and culinary delights of this controversial, yet incredible Caribbean island nation. We will explore Havana and get to enjoy the art, architecture, and culture of the Cuban capital city. Participants will have the opportunity to play dominoes with locals (the Cuban national game) and even visit the house where Ernest Hemingway wrote *The Old Man and the Sea*. The trip will include visits to the coastal city of Cienfuegos and the colonial town of Trinidad. Space is VERY limited!
