

Greater Gifts Drive

Northern Oklahoma College

Foundation

November 10, 2021

Dear Alumni and Friends:

At the NOC Foundation, our focus is on enhancing students' life-changing experiences at NOC by providing scholarships, academic enrichment programs, funding for educational equipment and seed money for innovative initiatives at our three distinct locations. No matter what path our students choose, we strive to make sure each and every one have the tools and resources necessary to prepare them for their future career endeavors.

Your support is making a difference. Take for instance, Diana, who was awarded the Gene Belcher Foundation Scholarship. Diana is a 27-year-old mother with two young children. Diana said, "I want to show my kids that dreams can come true when you work hard for them." With the help of an NOC Foundation scholarship, Diana can concentrate on school and her family, without the heavy financial burden that so many students worry about when trying to become a college graduate.

Your generosity will help ensure that the almost 4,000 students NOC serves every year--like Diana -- have access to the resources and supports they need, so they can be successful learners who go on to be productive earners in our communities.

As Executive Director of the NOC Foundation, my goal is to help create an environment where students can be successful and complete a college degree. As donors, you can join me, along with the Foundation Board, in this goal. Together, let's help NOC students start a path to success with every advantage possible.

I hope you will consider supporting the NOC Foundation by giving one of three easy ways which are explained below on the pledge card.

Thank you for your generosity and we look forward to seeing you on campus this year!

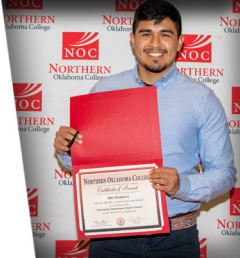

Sincerely,

Sheri Snyder
