NORTHERN OKLAHOMA COLLEGE
Division of Agricultural, Sciences & Engineering

January 11, 2022

Dear Agricultural Educators,

The 2022 Northern Oklahoma College Agriculture Interscholastic Meet will be held **Wednesday, January 26**. We will again be awarding a Single-teacher and a Multi-teacher Sweepstakes award in which points will be tabulated from all interscholastic contests. Since the livestock judging contest is held to a later date, it **WILL NOT** be tabulated as part of the Sweepstakes award. This year's contest will offer competition in the divisions of **Ag Communications, Ag Mechanics, Agronomy, Dairy Foods, Entomology, Horticulture Landscape/Nursery, Farm Business Management, Food Science & Technology, Meat Science Evaluation and Veterinary Science**. Contestants may only compete in **one** contest area.

Note: Contests will be limited to **2 teams and 2 individuals per contest area**. A team may consist of 3 or 4 members with the top 3 scores for placing scores. **Exceptions include:**

- 1) **Ag Mechanics:** There will be a limit of **one Junior** (Freshmen and Sophomores) and **one Senior** (Juniors and Seniors) **team (no individuals)** per school for the Ag Mechanics contest. Contestants need to bring their own safety glasses, welding helmets, welding gloves, a pair of pliers and appropriate clothing and footwear. We will score the top 3 of 4 contestant teams.
- 2) **Veterinary Science:** There will be a limit of one team per school and **no individual** contestants. **Each team must consist of 4 members and ALL SCORES are used in tabulation.**

The pre-entry deadline is January 21, 2022. The **PRE-ENTRY** fee for all contests **except Ag Mechanics and Veterinary Science** is \$20.00 per team and \$5.00 per individual. Entries received the **DAY OF** the contest will be \$30.00 per team and \$7.00 per individual. **Ag Mechanics and Veterinary Science PRE-ENTRY fee will be \$30 per team and DAY OF entries will be \$40 per team. NO PERSONAL CHECKS WILL BE ACCEPTED.** Payment must be cash, cashiers check, or school check. Please make checks payable to **NOC Aggie Club**.

The following is a tentative schedule of the day's events:

- 8:00 Registration in the Renfro Center
- 8:45 Break into groups
- 9:00 Begin all contests
- 12:00 **Lunch** – On your own
- 2:30 Official Placings and Awards – Renfro Center

Please indicate either 3 or 4 member teams as well as any individual contestants and return the entry forms to me as soon as possible. Notice that **all Contest Areas have a separate entry form**. You may either email, mail, or fax your entry forms to Tricia Moore; fax number is (580) 628-6209. **In order to qualify for the pre-entry rate, entries must be returned on the entry form WITH THE CONTESTANT'S NAMES LISTED.** Changes may be made the day of the contest. Entry fees need not accompany the registration form but **must be paid/received the morning of the contest in order for your kids to compete.**

Contest descriptions can be found on our website at <http://www.noc.edu/agriculture-science1> .

Also, at the end of the contest forms, there is an application for the Dr. Robert "Bob" Matthiesen Memorial Scholarship form. If you have any Seniors that are going to attend NOC in the Fall of 2022 then have them apply for this scholarship by the due date listed for the opportunity of four semesters of tuition free education.

If you have any further questions or concerns, please feel free to contact Dr. Kurt Campbell at (580) 628-6463, Bart Cardwell at (580) 628-6497, or Tricia Moore at (580) 628-6475. We are excited about the opportunity to host our annual Agricultural Interscholastic Contest and are looking forward to seeing you on January 26th.

Sincerely,

Tricia Moore
