Alumni & Friends Reunion set for Saturday

Northern Oklahoma College alumni Joe R. Kreger and Tara Tucker Vaughn will be inducted into the NOC Distinguished Alumni Hall of Fame March 26.

Joe Kreger, Class of 1959, and Tara Tucker Vaughn, Class of 1989, will be honored in ceremonies taking place during the NOC Alumni and Friends Reunion Dinner in the Renfro Center at NOC Tonkawa at 5:30 p.m.

Also, the Classes of 1970, 1971, and 1972 will be honored at the event.

Joe R. Kreger, a native of Tonkawa, received his Associate of Science degree from Northern Oklahoma College in 1959 and his Bachelor of Science degree from Oklahoma State University in 1961.

Following his tenure at NOC and Oklahoma State University, Kreger worked in administrative support positions in the purchasing and geophysics departments of Continental Oil Company while continuing to raise cattle.

Kreger left Continental Oil in the early seventies to establish Kreger Equipment, a state-wide wholesale livestock equipment business which he operated until 2001. Since that time, his efforts have been devoted to the cattle ranching enterprise.

At age 56, he began writing poetry born of life experiences. Often referred to as "Cowboy Poetry," his works were passed around, and requests for performances started to come in from farm

and ranch organizations, schools and churches. This developed into a heavy speaking schedule that required travel from Texas to Nebraska and Iowa. For a number of years, Joe authored a poetry column in the "High Plains Journal." His work has also been displayed in numerous other periodicals.

In 1988 Joe was appointed "Poet Laureate of Oklahoma" by Governor Frank Keating. He continued to perform poetry presentations for a number of years, but with the constraints of ranching and advancing age, he became somewhat inactive in poetry activities.

Then, in 2021, Governor Kevin Stitt appointed Joe to the Laureate position once more, making him the first poet to have received this appointment twice, and by two different governors. Now, Joe is traveling across the state once more.

Kreger has been active in Christian Life Church for most of his life. He has taught Sunday School most of the time for a span of around fifty years and has served as Deacon, Elder and Trustee to the present time.

A graduate of Tonkawa High School, Vaughn earned her Associate Degree in Business Administration from Northern Oklahoma College in 1989. She went on to earn her Bachelor of Business Administration in Marketing at the University of Central Oklahoma and then earned a Master of Public Health at the University of Oklahoma Health Sciences Center.

Dr. Vaughn has practiced as a registered nurse for over 20 years and has served in the U.S. Army Reserve for over 28 years. Shortly after joining the Army Reserve in 1993, she attended nursing school, eventually earning her PhD in Nursing from the University of Texas at Tyler in 2019. Dr. Vaughn currently serves as a registered nurse at the VA Eastern Colorado Health Care System working in the area of Community Care. She is also a Lieutenant Colonel in the Army Reserve where she is currently serving as a Public Health Nurse with the 350th Civil Affairs Command. She is board certified in Advanced Public Health Nursing.

Vaughn has taught in higher education as a Nursing Instructor for Delmar College ADN program and adjunct nursing faculty for Texas A&M Corpus Christi. Dr. Vaughn has also served as a full-time Clinical Assistant Professor and Interim Director of Nursing for University of Houston at Victoria where she awarded the Johnson Foundation Endowed Professorship.

Vaughn currently resides in Centennial, Colorado. She is married to Cory Vaughn of 28 years and they have four amazing daughters: Madelyn, Sophia, Sarah, and Jaelyn. Her mother, Marion Tucker, served as a Vice President for Information Technology at NOC and currently resides in Blackwell, Oklahoma. entertainment.

VITA tax preparation through April 14

Northern Oklahoma College is providing free basic income tax return preparation for students, NOC employees, and area residents through April 14 at NOC Tonkawa.

Singles or families making less than \$58,000 per year qualify for the free service.

Trained tax preparers from the NOC Business Division and area volunteers will be available for tax assistance beginning Thursday, Feb. 3. Taxpayers also have an option to prepare their own basic federal and state tax return using the free e-filing software.

Cara Beth Johnson, Business division chair said, "This is a great opportunity for our students to provide a community service and gain tax preparation experience."

The Cultural Engagement Center (CEC) is hosting the Volunteer Income Tax Assistance (VITA) program every Thursday through April 14. The CEC is located in the library in the Vineyard Administration/Library building.

Interested parties need to bring a photo ID for all filers; Social Security cards and birthdates for taxpayer, spouse, and dependents; W-2 forms; 1099 forms; receipts for childcare costs, education expenses, and other deductions; checking account and routing number for refund; and 1095-A, -B, or -C healthcare coverage or exemption.

It is necessary to make an appointment by contacting Cara Beth Johnson at 580.628.6340 or carolyn.johnson@noc.edu. Tax preparers are available from 4 p.m. - 8 p.m. No drop off's will be accepted, individuals must be present during tax preparation.

Barbara Nickles is the VITA site coordinator and NOC students Megan Rice and Cassidie Schmidt will assist her in preparing the tax returns. All have taken and passed all the required IRS tax preparer coursework.

Northern Oklahoma College and the IRS are sponsoring the program.

DAISY Award nominations due April 1

Nursing faculty at Northern Oklahoma College will soon be honored with The DAISY Award® for Extraordinary Nursing faculty.

Nominations are due April 1. They may be made at the following link <https://www.noc.edu/academics/academic-divisions/nursing-division/daisy-award/>

Nursing faculty may be nominated by colleagues, peers, patients, families, or alumni. The award recipients are chosen by a committee at NOC to receive The DAISY Award which will be presented once year at the Pinning Ceremony at NOC Enid on April 30.

The award is part of The DAISY Foundation's mission to express gratitude to nurses with programs that recognize them for the extraordinary, compassionate and skillful care they provide patients and families.

NOC Nursing Division Chair Dr. Nikole Hicks said, "NOC's nursing faculty work tirelessly to ensure future nurses have a strong foundation to provide nursing care for our communities. It is an honor to partner with the DAISY Foundation to recognize our exceptional nursing faculty – past, present, and future."

The DAISY Foundation expanded its' flagship brand The DAISY Award for Extraordinary Nurses to Academic Institutions in order to recognize the faculty who inspire compassionate care in their students and the students who demonstrate it during their education.

Each Honoree receives a certificate, a DAISY Award pin and a beautiful and meaningful sculpture called A Healer's Touch, hand-carved by artists of the Shona Tribe in Zimbabwe.

NOC nursing ranked #7 in state

Northern Oklahoma College has one of the top nursing programs in Oklahoma, according to nursingschoolhub.com.

NOC was ranked 7th best nursing program in Oklahoma according to the 2022 list.

NOC has two nursing degree tracks (AAS in Nursing (RN), AS pre-nursing (BSN transfer) One is for those who want to become an RN right after graduation. The other is for those who want to pursue a BSN after earning their degree. Among both types of students, many believe that Northern Oklahoma College as the best nursing school in Oklahoma.

Both programs teach core nursing skills so that students can provide excellent patient care. Stu-

dents also learn about the nursing industry as a whole. They learn from expert faculty members who understand today's nursing field. Finally, students move on to work in community and healthcare settings.

The Top 10 list includes the following: 1. The University of Oklahoma. 2. Oklahoma State University-Oklahoma City. 3. University of Tulsa. 4. Oklahoma City University. 5. Oral Roberts University. 6. East Central University. 7. Northern Oklahoma College. 8. Oklahoma Baptist University. 9. Oklahoma Christian University. 10. Southwestern Oklahoma State University.

Spring enrollment up at NOC

Spring enrollment for Northern Oklahoma College increased from Spring 2021, Vice President for Enrollment Management Dr. Rick Edgington told the NOC Board of Regents Wednesday afternoon at their regular meeting in Stillwater.

Dr. Edgington reported that NOC's head count is 6% over the Spring 2021 total. NOC had 2739 students compared to 2639 in March 2021.

In other business, Vice President for NOC Stillwater Diana Watkins said that NOC is planning to open all travel with the Global Education Program for Summer 2022, as countries allow.

She added that NOC Nursing recently went

through the accreditation process in early March. "The visiting accreditation team was very complimentary of Dr. Hicks (NOC Nursing Division Chair) and our nursing program," Watkins said.

Vice President for Community Relations & Development Sheri Snyder told the regents the NOC Foundation will meet March 30 and discuss the Strategic Plan for the NOC Foundation.

Snyder said, "I have been meeting with (Foundation Chairman) Linda Brown working on ways we can better align the plan for the foun-

dation with the Strategic Plan for NOC.”

Vice President for Enid Jeremy Hise explained a new partnership that NOC Enid has established with Northwestern Oklahoma State University for a fast track program to help elementary education students graduate faster to place more teachers in the work force. Students will be able to complete the elementary education program in 3 ½ years. He said there will be meetings with elementary education students later this month where they can learn more about the program.

Dr. Edgington also reported regarding enrollment that NOC has scheduled targeted enrollment dates for incoming freshmen in specific programs (athletics, livestock judging, etc.). He added that NOC will be enrolling students in communities where NOC officials can answer questions and assist students with the enrollment process.

Vice President for Student Affairs Jason Johnson reported that NOC has not had any positive COVID-19 the past four weeks. Dr. Harris

reported that NOC is removing the 70% capacity limit on attendance for campus events.

Dr. Harris also provided an update regarding “Building a Better NOC,” an initiative where students, faculty, and staff have provided input for improvements to NOC. He reported some of the input from the college full-time faculty and staff, from meetings on all three campuses.

Harris also provided information to the regents regarding recommended changes in the direction of the NOC Foundation.

Before the meeting, the NOC Board of Regents met with three NOC Stillwater students, Megan Pickering, Catherine Miller, and Pablo Jaramillo. Pickering is a President’s Leadership Council student while Miller and Jaramillo are Gateway Guides. The three students shared with the regents about their experience at NOC Stillwater and their future plans.

The next meeting of the NOC Board of Regents is Wednesday, April 27 in the President’s Large Conference Room at 1 p.m.

NOC Tonkawa offers summer science and technology workshops

Students who are entering or have just completed the 8th Grade and would like to have a fun summer experience focusing on Oklahoma’s fastest-growing energy sector may attend the Northern Oklahoma College’s “Power Up Your Summer” workshops.

During the week of June 13, NOC will be hosting three one-day science and technology workshops where students will be introduced to various forms of energy, including electricity, wind, hydropower, and solar.

The experience is being paid for by a grant from the Oklahoma State Higher Education Regents, so there is no cost to the student, but students must apply to be considered for the academy and space is limited.

The application can be found on the NOC Website at <https://bit.ly/3vN0TCD> and is due by March 31. Students will be selected at random from the received applications, and will be notified by April 8, if selected.
