Join the Fun!

We know that every student brings unique skills and talents to our college. At Northern, you can become the person you want to be. Instead of blending into the crowd, you can be involved in what makes you...you! Take the stage in a musical, get involved in student government or play intramural sports. Lead a class discussion, write for the college newspaper or root for the varsity sports teams. However you decide to get involved, you'll create a network of friends to last a lifetime... and learn what you need to know to succeed. Students who get involved in clubs and activities while enrolled in college courses have greater success in their studies and in their careers. Northern provides countless opportunities for students to get involved in leadership, decision-making and service learning... while meeting new people, making new friends and having fun.
