Shenandoah to appear at NOC Fall Lectureship Sept. 29

The Grammy Award winning Shenandoah will perform at Northern Oklahoma College Tonkawa Thursday, Sept. 29, as part of the Carl and Carolyn Renfro Spring Lectureship Series.

This tour is Shenandoah's 35th Anniversary Tour.

The event is sponsored by the Carl and Carolyn Renfro Endowed Lectureship Program and Northern Oklahoma College. The dinner will be held at the Renfro Center while the concert will be held in the Kinzer Performing Arts Center.

When country music lovers talk about the greatest groups in the genre, Shenandoah is always at the forefront of any discussion.

Fueled by Marty Raybon's distinctive vocals and the band's skilled musicianship, Shenandoah became well known for delivering such hits as "Two Dozen Roses," "Church on Cumberland Road" and "Next to You, Next to Me" as well as such achingly beautiful classics as "I Want to be Loved Like That" and the Grammy winning "Somewhere in the Vicinity of the Heart" duet with Alison Krauss.

The boys from Muscle Shoals have left a potent legacy in country music with more than 300 million streams, over 8 million combined album sales, and 13 No. 1 radio singles over the

course of more than three decades.

Tickets are currently on sale.

A reserved table with seating for eight may be purchased for \$400, which includes dinner in the Renfro Center and concert in the Kinzer Performing Arts Center with preferred lower section seating.

Individual tickets for the concert may be purchased at a cost of \$20 each. The concert begins at 7:30 p.m. The tickets are non-refundable.

Tickets may be purchased by credit card by calling 580-628-6214 or in person at the NOC Development Office, Vineyard Library-Administration Building, NOC Tonkawa.

Tickets may also be purchased at www.noc.edu.

Former Oklahoma State Regent for Higher Education Carl Renfro and the late Carolyn Renfro established the Carl and Carolyn Renfro Endowed Lectureship Program with a gift in 2006 to provide support for cultivating and enhancing the cultural and community enrichment offerings to northern Oklahoma on the Tonkawa campus and in the Ponca City area.

Call the Northern Oklahoma College Development Office at 580.628.6214 for additional information.

Shenandoah will appear at Northern Oklahoma College Thursday, Sept. 29 for the Renfro Endowed Lectureship Series fall event at the Kinzer Performing Arts Center.

NOC Accepting Nominations for 2023 DAISY Award® for Extraordinary Nursing Faculty

Northern Oklahoma College invites you to submit nominations for The DAISY Award® for Extraordinary Nursing faculty. Current or past nursing faculty may be nominated by colleagues, peers, patients, families, or alumni.

The award is part of The DAISY Foundation's mission to express gratitude to nurses with programs that recognize them for the extraordinary, compassionate and skillful care they provide patients and families.

NOC Nursing Instructor Kim Brewer was awarded the first NOC DAISY Award® in May 2022.

NOC Nursing Division Chair Dr. Nikole Hicks said, "NOC's nursing faculty make a difference in the lives of their students who go on to provide exceptional nursing care in our communities. We are pleased to partner with the DAISY Foundation to recognize NOC's life-changing nursing faculty."

The award recipients are chosen by a committee at NOC to receive The DAISY Award which will be presented once year at the Pinning Ceremony at NOC Enid on May 6, 2023. Nursing faculty may be nominated at <https://bit.ly/3GLauf9>.

The DAISY Foundation expanded its' flagship brand 'The DAISY Award for Extraordinary Nurses to Academic Institutions in order to recognize the faculty who inspire compassionate care in their students and the students who demonstrate it during their education.

The DAISY Foundation is a not-for-profit organization, established in memory of J. Patrick Barnes, by members of his family. Barnes died

at the age of 33 in late 1999 from complications of Idiopathic Thrombocytopenic Purpura (ITP), a little known but not uncommon auto-immune disease. (DAISY is an acronym for Diseases Attacking the Immune System.)

The care Barnes and his family received from nurses while he was ill inspired the creation of The DAISY Award for Extraordinary Nurses, an evidenced-based means of providing nurse recognition and thanking nurses for making a profound difference in the lives of their patients and patient families.

"We honor faculty who inspire nurses to care like Patrick's nurses cared for him and for our family. Recognizing and celebrating nursing students for the above-and-beyond care and compassion they show to patients and their families will be a strong reminder that nursing is not all about tasks and technology," said Bonnie Barnes, CEO and Co-Founder of The DAISY Foundation.

Each Honoree receives a certificate, a DAISY Award pin and a beautiful and meaningful sculpture called A Healer's Touch, hand-carved by artists of the Shona Tribe in Zimbabwe.
