					Information Technology			15-30 hrs
		Manufa			acturing		15-30 hrs	
					Public Safety/Services			15-30 hrs
					Transportation, Distribution and Logistics			15-30 hrs

The purpose of the Associate in Applied Science in Applied Technology – Industry Certifications Option.

NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by A.C.T. test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page by clicking on the following link: http://www.noc.edu/act for placement guidelines.
