have been produced during the last ten years. In 2009, he was inducted into the Royal Society of Arts in England for his academic work and service in promoting Charles Dickens.

For his scholarship and teaching, Dr. Engel has received North Carolina's Adult Education Award, North Carolina State's Alumni Professorship, and the Victorian Society's Award of Merit. Most recently, he was named Tar Heel of the Week for his thirty years of delivering public programs in the humanities and sponsoring state and national literary contests for high school students.

Since 1980, Dr. Engel has been President of the Dickens Fellowship of North Carolina, the largest branch of this worldwide network of clubs. The sales of Dr. Engel's books, CDs, and DVDs have raised funds for The Great Ormond Street Children's Hospital which Dickens helped found in London in 1852.

Professor Engel continues to teach outside the classroom and give literary and historical programs throughout the world. He also presents assemblies at elementary, middle, and high schools, and his educational CDs & DVDs are used in classrooms around the country. In his spare time, he likes to imagine all the impressive hobbies and leisure pursuits he could mention here --- if he ever actually would find enough spare time to indulge in them.

A reserved table with seating for eight may be purchased for \$500, which includes dinner in the Renfro Center and Engel's lecture. Individual tickets are on sale for \$25 each.

Seats are available at no charge for the lecture which will be livestreamed into the Renfro Center classrooms at NOC.

Jets baseball celebrates 25th year

NOC Enid hosted the 25th Anniversary of Jets Baseball at David Allen Memorial Ballpark last Saturday.

The event commemorated the 25th anniversary of Jets baseball and David Allen Memorial Ballpark.

Activities included an alumni game of former Jet players and fireworks after the event, sponsored by Northern Oklahoma College and David Allen Memorial Ballpark.

Former Jet coach Raydon Leaton returned to Enid from Florida where he coaches Hillsborough Community College.

“Big thanks to NOC and the people who organized the 25th celebration,” Leaton said. “Everyone involved created lasting memories and enjoyed getting one more chance to play the game they love in front of their families. It’s always special when I see friends, former colleagues, and former players at an event like this.”

NOC Enid Vice President Jeremy Hise enjoyed the event at the Enid ballpark.

“The quality of baseball that we get to watch here, and the level of play we have in our city is

awesome,” he said. “The fact we get to do that is awesome, and I hope we don’t ever take that for granted because it’s a great place to play baseball.”

“This is family,” Hise said. “The (alums) have given a lot to our program, and I just love the fact that they’ll come back and be a part of it. But, this is awesome, having 25 years of guys coming back and having a good time with each other.”

The three national championship teams were recognized on Saturday, including Leaton and assistant coach Scott Mansfield for the NOC Enid baseball team that won the 2019 NJCAA Division II World Series.

Former Jet teams were also recognized for their NJCAA World Series appearances. Ballpark groundskeeper Scott Pendleton was also recognized for his work at the ballpark.

Audio and video perspectives of the ballpark and Jets baseball were presented during Saturday’s game.

Fireworks concluded the Saturday event.

ing community and youth volunteer packaging events of Stamp Out Starvation’s highly nutritious meals,” Stewart states on his website stampoutstarvation.com .

Each Stamp Out Starvation food package contains six servings and each bag is prepared in less than 20 minutes by adding the food package to boiling water.

Each Stamp Out Starvation food package is based off of a rice and soy casserole that is fortified with 21 essential vitamins and minerals,

six dehydrated vegetables, and chicken flavoring. This soy (52% protein) and nutrient-rich formula reverses the starvation process.

Stewart organizes an assembly line of volunteers who add the meal ingredients to plastic bags that are then sealed and boxed for shipment anywhere in the world.

On Sept. 15, the Independence Battle Cry rings out in a ceremony officiated by many Mexican leaders.

It honors the Cry of Dolores, the “Grito de Dolores”, that the catholic priest Miguel Hidalgo gave when he ordered all Mexicans to fight against the Spanish army in order to gain free-

dom. This began the Mexican War of Independence through which Mexico freed its citizens from the oppression of Spanish colonial rule.

It also begins Hispanic Heritage Month. To celebrate this, the NOC Enid Hispanic Heritage Club, Viva La Raza, has a booth set up in
