# Masonic Endowment Grant applications due Sept. 15

The Northern Oklahoma College Foundation is offering grants through the Masonic Fraternity of Oklahoma Endowment and the Presidential Partners Program.

These funds are made available to Northern Oklahoma College programs, students and employees whose proposed projects support the Foundation's mission of providing quality educational experiences.

NOCF annually determines fund availability and will award grants based on annual earnings of the endowments.

Please find attached the Foundation Grant Policy and Procedures and the request forms for the two funds. The request forms are to be completed and returned to the Office of Development and Community Relations.

The Masonic Endowment request is to be used exclusively for student support. Deadline for Masonic Endowment Grant consideration is September 15.

Presidential Partners funds may be used for student or employee support. Presidential Partners Grant requests may be submitted any time during the year and will be reviewed on a first come first served basis.

The Foundation will do its best to provide full or partial funding for all requests; however, submission does not guarantee any funding will be granted.

If any further information is needed, please call the Development Office at 580.628.6789.
