

## Northern Oklahoma College Course Placement

The **National ACT**, **National SAT** or **NOC On-Campus ACT** is a requirement of all incoming freshmen to Northern Oklahoma College. If ACT/SAT scores are more than 5 years old or below a 19 in any subject area you have the option to enroll based on the original ACT score or by taking a **Placement Exam in that specific subject area** for placement into courses. Only admitted NOC students may take the **On-Campus ACT** once per semester (Fall, Spring, & Summer) and the **Placement Exam** in a specific subject area once per semester. On-Campus ACT is \$70 and a Placement Exam is \$18 per subject area per attempt. There is a 3-day waiting period for **Placement Exams** between attempts to allow for test prep to take place, see below. Allow 4 hours to complete the On-Campus ACT. Extended time is offered on each **Placement Exam**. A legible, valid and acceptable photo ID, and pencils, are required for all ACT testing. *All students (including Concurrent) may challenge any ACT sub-score below 19 by taking a Placement Exam in that specific subject area* (cannot be used for PLC at this time). **Transfer students** will be placed into courses according to their transcripts from other educational institutions (subject specific testing may be needed). **On-Campus ACT and Placement scores are specific to Northern Oklahoma College and cannot be transferred to another institution.** National ACT/SAT scores can be transferred from one institution to another.

**ALL TESTING IS BY APPOINTMENT ONLY. Photo ID is required for all testing.**
