

Three finalists named for NOC nursing award

Northern Oklahoma College will honor a Nursing faculty member with The DAISY Award® for Extraordinary Nurse Educators at the NOC 2025 Nurses' Pinning Ceremony Friday, May 2 at the Kinzer Performing Arts Center in NOC Tonkawa at 7 p.m.

The three finalists are Elaine Briggs, Brian Baird, and Rachel Kroemer

Brian Baird

Brian Baird received his B.S.N. from the University of Oklahoma in 1986 and his M.S. from Southern Nazarene University in 2008. The majority of his nursing career has been spent serving special needs children in their homes and serving within the ICU. His work in the ICU included a nearly 14-year period at Hillcrest Hospital Cushing when it was named Cushing Regional Hospital and a stint at Mercy Hospital in OKC. In 2006, he began teaching freshman nursing students at Northern Oklahoma College; a privilege he continues to enjoy to this day.

Baird's passion for teaching has been life-long and has been evident to anyone who has known him. He loves to use creativity in his approach and is known for his use of multiple teaching/learning methods. He himself loves to learn and wants his learners to enjoy the process as well. His use of simulation and gaming has earned him a lead role in NOC Nursing's simulation program.

Brian is a Certified Healthcare Simulation Educator (CHSE) and currently serves as the Nursing Simulation Coordinator.

Baird and his wife, Robin, have been married almost 36 years. They have four children and two grandchildren. They reside in Perkins in a home

Brian Baird

they have been building.

Elaine Briggs

After graduating high school in 1979, Briggs attended Central Vo-Tech in Sapulpa in a medical assistant program where she decided she wanted to be a nurse. She completed Oklahoma Baptist University's nursing program and started

Elaine Briggs

her nursing career at St. Francis Hospital in Tulsa where she worked in orthopedics and cardiac care. She then worked in Home Health Care before moving to Oklahoma City where she worked at University Hospital in newborn and special care nursery.

Rachel Kroemer

Briggs then moved to Blackwell where her husband started a medical practice. She took time off from nursing to raise her children and then started at NOC as an adjunct instructor, joining NOC as a full-time faculty member in January 2016. She currently serves as the Nursing Success Specialist.

Rachel Kroemer

Rachel Kroemer received her Bachelor of Science in Nursing from Washburn University in 2011 and completed her Master of Science in

Fine Arts events Sunday, Tuesday

The Northern Oklahoma College Division of Fine Arts has two events scheduled in late April.

On Sunday, April 27, the annual spring concert will be held at 2 p.m. at the Kinzer Performing Arts Center. The concert features the NOC Concert Band, College Choir, and Madrigal Singers.

Admission is free, children under 12 must

be accompanied by an adult.

Then on Tuesday, April 29, the Division of Fine Arts will present a Play in a Day at 7:30 p.m. at the KPAC where actors, directors, and writers only have 24 hours to create a play.

Admission for Play in a Day is \$5 and is free to NOC faculty, staff, and students with an NOC Identification Card. Children Under 12 must be accompanied by an adult.

Daisy

(Continued from Page 1)

Nursing Education from Fort Hays State University in 2023. She is a member of Phi Kappa Phi and Sigma Theta Tau Honor Societies.

Kroemer started at NOC in January 2001 as adjunct instructor moving into a full-time position in October 2021. She started Introduction to Nursing in Fall 2024, loves teaching students in Maternal Child and is the faculty advisor for Alpha Delta Nu Nursing Honor Society. Her favorite part about bedside nursing was teaching new Moms and Dads about their newborn and now she enjoys watching and helping students expand their skills and knowledge base as they begin their nursing career.

The award is part of The DAISY Foundation's mission to express gratitude to nurses with pro-

grams that recognize them for the extraordinary, compassionate and skillful care they provide patients and families.

DAISY award recognitions honor the super-human work nurses do for patients and families every day wherever they practice, in whatever role they serve, and throughout their careers – from Nursing Student through Lifetime Achievement in Nursing. The Nurse Educator Award was created to recognize and celebrate the contributions faculty make to the future of nursing. The award is part of The DAISY Foundation's mission to express gratitude to nurses with programs that recognize them for the extraordinary, compassionate and skillful care they provide patients and families.

NOC Tonkawa held a student artist reception on Sunday at the Eleanor Hays Art Gallery inside the Kinzer Performing Arts Center. The exhibit “Dreamscapes” is on display M-F from 1 p.m. – 5 p.m. and during events through May 6. (Shiloh Martin photo/NOC)

The NOC Enid Hispanic Heritage Club, Viva la Raza, participated at the United Way Early Childhood Coalition Event at Enid on April 12.

The NOC Enid Jets mascot “JJ” assisted at the United Way Event April 12.

NOC participates in Enid Family Fun Event

The Early Childhood Coalition held a free Family Fun Event on April 12 at North Meadowlake Park in Enid.

Title sponsors are Northern Oklahoma College, Reach Higher, and the United Way.

This celebration caps off the “Week of the Young Child,” which is an annual celebration sponsored by the National Association for the Education of Young Children (NAEYC).

“The purpose of the Week of the Young Child™ is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs,” said Cheila Armour, Early Childhood Coordinator, CDSA.

THE CLOCK IS TICKING!

Family Fun

(Continued from Page 3)

Jeremy Hise, Vice President for NOC Enid said, “Superhero Saturday was a fantastic day for our community. Watching kids light up as they met their favorite superheroes and enjoyed activities like paddleboats and mini golf was awesome. At the same time, parents were able to connect with NOC and community organizations to learn more about valuable educational and family resources. We’re grateful to Dan Schiedel, United Way, and all the volunteers who helped make this event a success.”

In addition to the all the activities, several agencies shared information and providing giveaways, games and much more.

Those agencies included the Vance Air Force Base, Enid SWAT Team, Enid Fire Department,

and Enid Police Department. NOC’s Jets’ Men’s Basketball, Jets’ Women’s Soccer, Hispanic Club, Viva la Raza! And JJ (Jets Mascot) also participated in the event. Kathleen Swain, NOC Coordinator of Student Activities Success Services and Kelly Vinson, Enid Student Retention Specialist also attended.

The Hispanic Club, Viva la Raza, manned the coloring table for the attendees and managed the table for the Spanish game, La Loteria. The winners of each game received a prize, compliments of Adrian Ibarra, one of the club sponsors. Other club sponsors are Dr. Charmaine Munro and Dr. Mary Ann McCoy.

DMI open house, student film festival

The Northern Oklahoma College Digital Media Institute’s Annual Student Showcase will be held on Friday, May 2, from 11 a.m. - 1 p.m. in Wilkin Hall room 108/110.

DMI’s graduating students will showcase their creative skills in Maya, After Effects, Photo-shop, Premiere Pro, and much more.

Visitors are welcome to take a tour, watch demo reels, talk to the students, and enjoy traditional free ice cream floats.

DMI Director Brad Matson said, “The goal of DMI is to furnish students with an expertise skill set required to secure employment within the realm of cutting-edge computer graphics. Over the span of two years, the program centers on artistic methods utilizing contemporary technology. DMI students cultivate the capacity to translate their concepts and visions into various realms of digital media, encompassing 3D modeling, texturing, animation, motion capture, game environment and asset development, visual effects, motion graphics, graphic

design, digital filmmaking, video editing, and audio refinement.”

“This is a great opportunity to expand the awareness to potential employers as well as introducing companies to a talent pool of educated, creative, and driven artists, in addition to exposing talented prospective students to the DMI program and the local educational facilities,” Matson added.

DMI will also be hosting the 17th Annual Epic Shorts Student Film Festival at 4 p.m. in the Wilkin Theatre on May 2.

Ten short student films will be screened that afternoon.

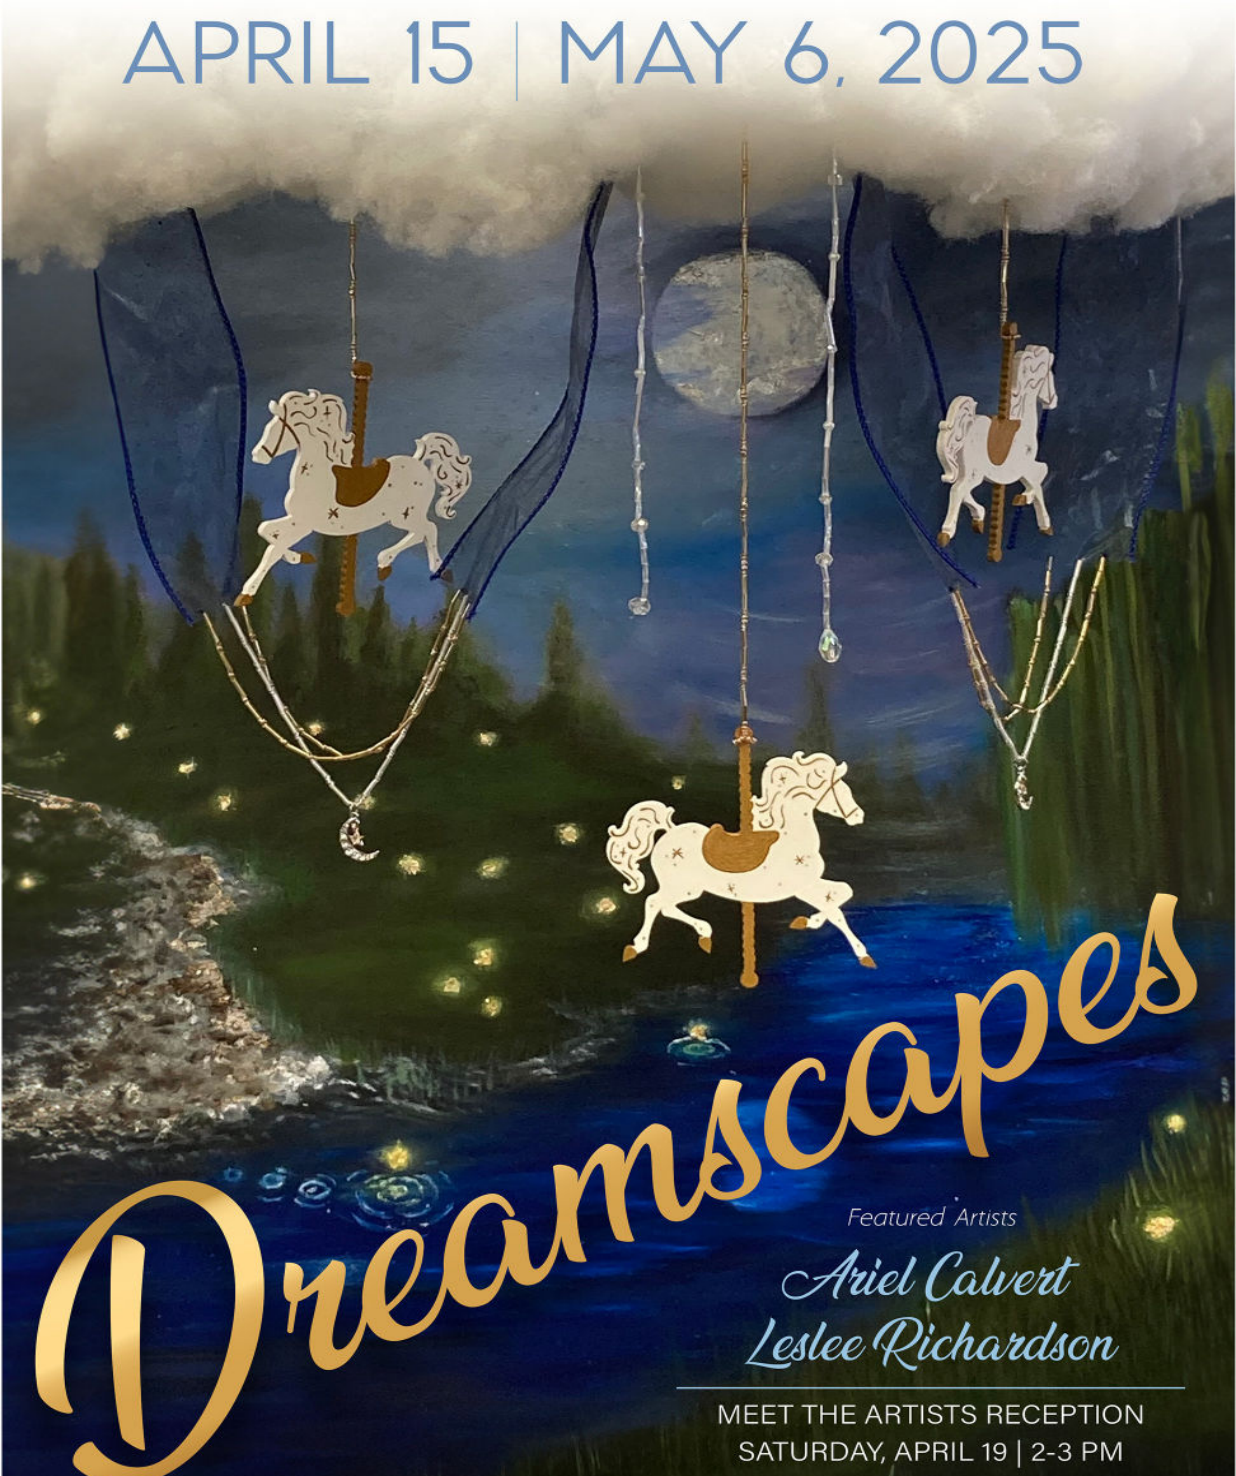

“The film crew handles all the writing, directing, lighting, sound, and the three phases of production. This will be the best festival with quality of films since I started this festival,” Matson said.

There are cash prizes for 1st, 2nd, 3rd place and Audience Choice. All donations and proceeds benefit Diabetes Solutions of Oklahoma.

Regents approve internal audit report

Northern Oklahoma College regents approved an internal audit report from Crawford & Associates at Wednesday's meeting in Tonkawa.

The internal audit included two areas, according to Dwayne Tate of Crawford & Associates.

"First is to provide a claims audit and the second is to follow up on last year's recommendations," he said.

"We would like to express our appreciation for all the courtesy and assistance we received from staff during our work at the college and hope this report will be of benefit to NOC," Tate added. "We enjoy working with your incredible staff."

Tate said they have worked with NOC since 2010 and hope to continue that relationship going forward. He said the work done for the internal audit prepares the college for the upcoming external audit.

Regents also approved the college's financial report provided by Vice President for Financial Affairs Anita Simpson.

Regents also approved two purchases over \$25,000. The first was \$180,178.68 for Print Shop Equipment on a three-year lease to Galaxy Business Equipment, Inc. The second was the restoration of a Steinway Grand Piano at NOC Tonkawa at a cost of \$35,867.00.

In administrator updates, Dr. Shelly Mencacci reported that work continues on the new greenhouse. She said the completion of the greenhouse will provide for curriculum additions in biological sciences.

Vice President for Development & Community Relations Sheri Snyder said the school's development of a new website is underway and is expected to be completed by Fall 2025.

Jeremy Hise, Vice President for Enid, reported that NOC was a Title Sponsor for the Early Childhood Coalition Event in Enid on April 12. The free event was attended by many in the Enid community. Hise said that a number of

NOC organizations participated in the event. He added that NOC connected with a number of non-traditional students through the Reach Higher Program.

Vice President for Enrollment Management Dr. Rick Edgington reported that enrollment for Fall 2025 is slightly behind pace of Fall 2024 but added that a number of participation groups have not yet enrolled for Fall 2025.

Vice President Simpson also added that administrators have been conducting space utilization tours for all NOC locations. She said that more meetings are planned in the future as the college seeks to make the most efficient and effective use of all spaces.

Dr. Marsh Howard, Vice President for Stillwater, said the parking fund raiser for "The Boys from Oklahoma" was a success with over \$10,000 raised for NOC Stillwater organizations along with the United Way of Stillwater and the Stillwater Public Education Foundation.

Vice President for Student Affairs Jason Johnson reported meetings with the Oklahoma State Regents for Higher Education regarding "TimelyCare," a virtual health and well-being platform that would provide college students with 24/7 access to virtual care at no cost. Johnson said the service provides on-demand medical care and mental health support.

He said the program is expected to be implemented in Fall 2025.

In the president's report, Diana Morris Watkins reported that the college is building NOC's 5-Year Strategic Plan. She said that committees have been meeting to determine goals and ways to implement those strategies.

The May meeting will be held in Enid on May 14 at 2 p.m.

NOC graduation set for May 3

Former Oklahoma Governor George Nigh will address candidates for graduation at Northern Oklahoma College 2025 commencement exercises Saturday, May 3.

NOC Tonkawa candidates will march into Foster-Piper Fieldhouse on the Tonkawa campus at 9:30 a.m. on May 3.

That same day NOC Enid and Stillwater candidates will enter Briggs Auditorium on the Enid campus at 2:30 p.m.

Pinning ceremonies for graduates from the NOC nursing program will take place at 7 p.m. on May 2 in the Kinzer Performing Arts Center in Tonkawa.

Nigh served as governor four times, first serving as the Oklahoma governor in 1963 serving an unexpired term and then later serving a second unexpired term in 1979. He then served two full terms from 1979-1987.

While a senior at East Central University in 1950, Nigh gave his first commencement speech to an 8th Grade class in Pittsburgh County in 1950. Since then, Nigh has never missed a year giving a commencement address now counting 76 straight years. He has given over 250 commencement speeches.

Nigh, a native of McAlester, Oklahoma, graduated from McAlester High School. After serv-

ing in the United States Navy, Nigh attended Eastern Oklahoma A & M College, now known as Eastern Oklahoma State College. He then graduated from East Central State College in Ada, Oklahoma in 1950. From 1951 to 1959, he alternated between service in the Oklahoma House of Representatives, and as a teacher in the McAlester public schools.

During his tenure in the state legislature, he introduced legislation designating “Oklahoma!” as the state song. He served as lieutenant governor of Oklahoma from 1959 to 1963. Taking office at age 31, he became the youngest state lieutenant governor in the United States.

In 1963, Nigh was sworn in as the 17th governor of Oklahoma for nine days, filling an unexpired term. He later served five days in 1979, serving another unexpired term. 1978, he was elected Oklahoma’s 22nd governor serving from 1979-1987.

He later served as the president of the University of Central Oklahoma from 1992-1997. He also is an Oklahoma Hall of Fame Inductee receiving that honor in 1989.

The Nigh University Student Center at UCO was named in honor of George and his wife, Donna.

College summer camps scheduled

Northern Oklahoma College hosts a number of summer camps on the Tonkawa and Enid campuses.

The following is a schedule of camp dates:

Tonkawa

Girls Basketball Camp (Grades K-3), June 9-11

Nursing Camp, June 19

On Monday, April 14, 2025 the NOC Enid Hispanic Club, Viva la Raza made two blankets for CASA (Court Appointed Special Advocates) for children for their community service project. Ten club members and the three club sponsors participated in making the blankets. The material and pizza were donated by Wendy Arnold, volunteer, friend of NOC, and mother of the club president. The top photo are of the members delivering the blankets: from left to right: Sophia Arnold, club president; Dylan Moser, Jessenia Marquez, and Soledad Martinez club members.

The NOC Tonkawa ArtForum Art Club members beautify the Creative Arts Building with perennials for their spring on-campus project. Working in collaboration with Chris Young, NOC landscape manager, Artforum members Macie Brophy, Delaney Fox, president Ariel Calvert, Danikka Hardy and Anna Jones planted 12 Heucheras (Coral Bells) on Friday, April 18 with guidance of club sponsors Audrey Schmitz and Jason McNaughton. This completes Artforum's 2024-25 goal begun in the fall when they planted three Oakleaf Hydrangeas in the same area. (Audrey Schmitz Photo)
