Welcome to the Residence Halls at Northern Oklahoma College

For new students, it is a hearty welcome to the Northern family; for returning students, it is the welcoming back of familiar faces. We are pleased that you have chosen to live on campus. Here at NOC we are committed to creating an environment conducive to learning, leadership development and relationship building.

As we know, a college education is certainly not limited to the classroom alone. Any education for "life" also includes the social and interpersonal dimensions of campus life. These elements are important to a well-rounded education. Best of all, living on campus allows you close and immediate access to the academic, social and recreational activities at NOC.

Again, welcome to Northern and our hope is that as a member of our residential community, you will gain life-long friendships, new interests and skills and a better understanding of yourself and others.

Best wishes and success,

Jason Johnson
Dean of Students

Desk lamps, radios, CD players, hairdryers, electric shavers and toothbrushes and computers are all approved electrical appliances. Residence hall staff will provide more information about appliances when students check into the hall. When additional electrical outlets are needed, residents may use only UL-approved electrical strips with built-in circuit breakers. Multiple plug adapters and extension cords are not permitted.

WHAT APPLIANCES ARE NOT ALLOWED?

Air conditioning units in the window or in the room, camp stoves, ceiling fans, crock pots, electric skillets, breadmakers, griddles, halogen lamps, hot oil popcorn poppers, hot plates, oven broilers, power tools, rice cookers/steamers, sandwich makers, George Foreman Grills, space heaters, toasters or toaster ovens are not allowed. FREQUENTLY ASKED QUESTIONS

SHOULD STUDENTS PURCHASE RENTERS' INSURANCE?

What happens if personal belongings are damaged or stolen from a room?

NOC does not carry insurance on student belongings and is not responsible for damage or theft of any personal property in residence hall rooms. Students are encouraged to purchase renters' insurance or make arrangements with an insurance company to insure the coverage of the student's personal belongings. If personal items become missing or stolen, the student needs to contact the residence hall staff and Campus Security. Students should engrave their belongings with ID numbers.

HOW DO STUDENTS GET INVOLVED IN LEADERSHIP OPPORTUNITIES?

Each hall has a hall council that serves as the governing body of that particular hall. Leadership positions are open for contested elections each fall. The hall staff will have information regarding possible employment as residence hall staff and leadership opportunities.

The possession and/or consumption of alcohol on campus property is

prohibited. Violation of this regulation is cause for dismissal from the

college.

WHO ARE ON THE RESIDENCE HALL STAFF AND WHAT DO THEY DO?

One of the most important people students will interact with will be the Residence Hall Director. The Director is responsible for the total supervision of the staff and all employees working for the residence hall. Proctors are full-time students, carefully selected by the Office of Student Affairs to offer day-to-day assistance. Every floor has a Proctor who is available to help with floor activities, maintenance or custodial problems. The Residence Hall Directors have the overall responsibility for their own residence halls and supervise the Proctors in their halls. If the Hall Director or the Proctor is not available for assistance, students should contact the Office of Student Affairs.

WHOM SHOULD STUDENTS CALL IF SOMETHING IS NOT WORKING PROPERLY?

Students need to contact their Residence Hall Director for all maintenance, heating or cooling problems or pest control problems.

two RJ-45 Ethernet connections in each residence hall room. To connect a computer, a 10/100Base - T Ethernet card must be installed in the computer and a RJ-45 Ethernet cable will be needed. Note: an RJ-45 cable is NOT the same thing as a phone cable. Please utilize only the port that is located in your residence hall room. Wireless access is also available throughout all campus residence halls. A login is required for wireless access. Your login information is located on Campus Connect under your student demographic information. Please be aware that NOC reserves the right to monitor any and all electronic transmissions over the network. Additional details of NOC's policy on proper use of student IT resources can be obtained at the IT Help Desk or online (north-ok.edu).

WHAT IF STUDENTS WANT A ROOM OR HALL CHANGE?

Students may request a room change with residence hall staff upon moving into the residence hall. Requests are approved by the Dean of Students. Room changes are not made immediately. Students may make the request upon arrival. However, room changes will not be considered until all students have checked into their rooms. Hall assignments are based on availability.

WHAT WILL BE DONE IF A STUDENT'S ROOM

HAS CLEANING PROBLEMS?

Students are responsible for cleaning their rooms and private bathrooms and removing trash. Rooms are subject to regularly scheduled inspections by the Hall Director in order to assist residents in maintaining clean and orderly rooms. Community areas of the residence halls, such as lobby, laundry and restrooms are cleaned by custodial staff daily.

WHERE CAN A STUDENT PARK HIS/HER CAR?

Parking is at a premium on the campus and often the available parking may not be immediately adjacent to a student's building or facilities. All students who bring a vehicle on campus are required to display a parking permit.

HOW DOES A STUDENT GET A PARKING PERMIT?

Parking permits are available in the Office of Student Affairs. Students will need to know the make, model, year and license plate number of each vehicle to be registered. The cost of the permit has already been assessed to the student's account.

ARE STUDENTS ALLOWED PETS?

NO pets of any kind are allowed in the residence halls.
