See course descriptions for fall or spring designations and plan accordingly.</p>	<p>The Pre-Medicine degree option is designed for the student whose goal is to be a medical doctor. Students wishing to go into a different medical field such as physical therapy should consult an academic advisor in pre-medicine about specific requirements.</p> <p>Students transferring should consult catalog from the institution to which they are planning to transfer to and carefully select courses that will meet the requirements to complete their bachelor's degree.</p> <p>Career Opportunities</p> <p>Chiropractor</p> <p>Dental Hygiene</p> <p>Medical Doctor</p> <p>Funeral Science</p> <p>Nutrition</p> <p>Occupational Therapist</p> <p>Optometry</p> <p>Osteopathic Medical</p> <p>Research</p> <p>Physical Therapist</p> <p>Wellness</p> <p>Radiology/ Medical Imaging</p> <p>NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by A.C.T. test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page by clicking on the following link: http://www.noc.edu/act for placement guidelines.</p>
