

Pickens Learning Common Mural

The mural in the Pickens Learning Common, created by Yatika Starr Fields, was completed this past week. A formal dedication will be held later this fall when the Pickens Learning Common project is complete. (photo by John Picakrd/Northern Oklahoma College)

2022-2023 Year NOC Foundation Grant Opportunities

The Northern Oklahoma College Foundation is offering grants through the Masonic Fraternity of Oklahoma Endowment and the Presidential Partners Program.

These funds are made available to Northern Oklahoma College programs, students and employees whose proposed projects support the Foundation's mission of providing quality edu-

cational experiences.

NOCF annually determines fund availability and will award grants based on annual earnings of the endowments.

Please find attached the Foundation Grant Policy and Procedures and the request forms for the two funds. The request forms are to be completed and returned to the Office of Devel-

opment and Community Relations.

The Masonic Endowment request is to be used exclusively for student support. Deadline for Masonic Endowment Grant consideration is September 15.

Presidential Partners funds may be used for student or employee support. Presidential Partners Grant requests may be submitted any time

during the year.

The Foundation will do its best to provide full or partial funding for all requests; however, submission does not guarantee any funding will be granted.

If any further information is needed, call 580.628.6214 or visit the development office at NOC Tonkawa.

Tickets still available for Shenandoah concert Sept. 29

Tickets are still on sale for Grammy Award winning Shenandoah at Northern Oklahoma College Tonkawa Thursday, Sept. 29, as part of the Carl and Carolyn Renfro Spring Lectureship Series. This tour is Shenandoah's 35th Anniversary Tour.

The event is sponsored by the Carl and Carolyn Renfro Endowed Lectureship Program and Northern Oklahoma College. The dinner will be held at the Renfro Center while the concert will be held in the Kinzer Performing Arts Center.

When country music lovers talk about the greatest groups in the genre, Shenandoah is always at the forefront of any discussion.

Fueled by Marty Raybon's distinctive vocals and the band's skilled musicianship, Shenandoah became well known for delivering such hits as "Two Dozen Roses," "Church on Cumberland Road" and "Next to You, Next to Me" as well as such achingly beautiful classics as "I Want to be Loved Like That" and the Grammy winning "Somewhere in the Vicinity of the Heart" duet with Alison Krauss.

The boys from Muscle Shoals have left a potent legacy in country music with more than 300 million streams, over 8 million combined album sales, and 13 No. 1 radio singles over the course of more than three decades.

A reserved table with seating for eight may be purchased for \$400, which includes dinner in the Renfro Center and concert in the Kinzer Performing Arts Center with preferred lower section seating.

The menu includes Spinach & Gouda Stuffed Chicken, Roasted Corn with Peppers and Onions, Herb Roasted Potatoes, Rolls, Portobello Mushroom Vegetarian Choice), and Lemon Bars.

Individual tickets for the concert may be purchased at a cost of \$20 each. The concert begins at 7:30 p.m. The tickets are non-refundable.

Tickets may be purchased by credit card by calling 580-628-6214 or in person at the NOC Development Office, Vineyard Library-Administration Building, NOC Tonkawa.

Former Oklahoma State Regent for Higher Education Carl Renfro and the late Carolyn Renfro established the Carl and Carolyn Renfro Endowed Lectureship Program with a gift in 2006 to provide support for cultivating and enhancing the cultural and community enrichment offerings to northern Oklahoma on the Tonkawa campus and in the Ponca City area.

Call the Northern Oklahoma College Development Office at 580.628.6214 for additional information.

DAISY Award nominations underway

Northern Oklahoma College invites you to submit nominations for The DAISY Award® for Extraordinary Nursing faculty. Current or past nursing faculty may be nominated by colleagues, peers, patients, families, or alumni.

The award is part of The DAISY Foundation's mission to express gratitude to nurses with programs that recognize them for the extraordinary, compassionate and skillful care they provide patients and families.

NOC Nursing Instructor Kim Brewer was awarded the first NOC DAISY Award® in May 2022.

NOC Nursing Division Chair Dr. Nikole Hicks said, "NOC's nursing faculty make a difference in the lives of their students who go on to provide exceptional nursing care in our communities. We are pleased to partner with the DAISY Foundation to recognize NOC's life-changing nursing faculty."

The award recipients are chosen by a committee at NOC to receive The DAISY Award which will be presented once year at the Pinning Ceremony at NOC Enid on May 6, 2023. Nursing faculty may be nominated at <https://bit.ly/3GLauf9>.

The DAISY Foundation expanded its' flagship brand The DAISY Award for Extraordinary Nurses to Academic Institutions in order to recognize the faculty who inspire compassionate care in their students and the students who

demonstrate it during their education.

The DAISY Foundation is a not-for-profit organization, established in memory of J. Patrick Barnes, by members of his family. Barnes died at the age of 33 in late 1999 from complications of Idiopathic Thrombocytopenic Purpura (ITP), a little known but not uncommon auto-immune disease. (DAISY is an acronym for Diseases Attacking the Immune System.)

The care Barnes and his family received from nurses while he was ill inspired the creation of The DAISY Award for Extraordinary Nurses, an evidenced-based means of providing nurse recognition and thanking nurses for making a profound difference in the lives of their patients and patient families.

"We honor faculty who inspire nurses to care like Patrick's nurses cared for him and for our family. Recognizing and celebrating nursing students for the above-and-beyond care and compassion they show to patients and their families will be a strong reminder that nursing is not all about tasks and technology," said Bonnie Barnes, CEO and Co-Founder of The DAISY Foundation.

Each Honoree receives a certificate, a DAISY Award pin and a beautiful and meaningful sculpture called A Healer's Touch, hand-carved by artists of the Shona Tribe in Zimbabwe.

Mascot tryouts next week

NOC is looking for mascots at both the Enid and Tonkawa campuses. The mascots will attend athletic events, recruiting events, alumni and community events and other functions as required.

Interested NOC Tonkawa students are invited to attend a tryout in Tonkawa on Tuesday, Sept.

6 at 1 p.m. at Foster-Piper Fieldhouse while NOC Enid students will tryout on Wednesday, Sept. 7 at 1 p.m. inside the Mabee Center.

Scholarship money is available for students who qualify.

For more information, contact Darion Bailey at Darion.bailey@noc.edu.

Cybercrime Happens Way More Than You Think!

Large-scale cyberattacks make the news, but that's just the tip of the iceberg. Cybercrime is on the rise, and the majority of attacks go unreported.

Consider the following facts:

A cyberattack every 36 seconds

The University of Maryland found that there is an average of 2,244 cyberattacks per day, which is one every 36 seconds.

43% of SMB lack a cybersecurity defense plan

The International Criminal Police Organization (Interpol) reported that small- and medium-sized businesses (SMB) are being targeted at an increased rate.

\$108 Million lost in only 6-months

The US Federal Trade Commission, in a recent 6-month period, had seen over 128,000 phone-based fraud scams that cost victims a whopping \$108 Million – that's only half a year!

Staying Safe Starts with YOU!

We often assume cybercrime only happens to someone else but hackers know the easiest way to get to your organization's information is through **YOU!**

Here are some actions to stay safe.

- Be careful what you post and share online.
- Don't reuse passwords for multiple sites.
- Follow your organization's security policies and procedures.
- If something seems suspicious, always verify that it's legitimate.

In the time it took you to read this document, there were multiple cyberattacks across the globe. Make sure you stop, look, and think before you take any sort of action.
