NOC to transition cheer as a club level activity next year

At the Northern Oklahoma College Board of Regents meeting on Feb. 15, multiple budget-cutting strategies were presented to the Board in the budget reduction plan for the 2023-24 school year, including a plan to eliminate competitive cheer at both NOC Enid and NOC Tonkawa. The Board approved the budget reduction plan that was presented.

NOC President Clark Harris stated, "This means the college will not have competitive cheer programs, but the Enid and Tonkawa campuses will have cheer in a different form. Cheer is an important component of student

life that promotes spirit at basketball games and other events. NOC wants to continue our tradition of having cheer on Enid and Tonkawa campuses."

The new version of cheer will be a club-level sport, not sanctioned by the NJCAA. They will continue to perform at all home basketball games, other Northern functions, and special events in the communities engaging NOC Mavericks and Jets students, employees, alumni and community members with school spirit. The cheering may include some elements of dance in routines, but will not include tumbling, lifts

and stunts.

Scholarships extended to current freshman cheer team members that have already signed Letters of Intent for the 2023-2024 academic year will be honored. Those students accepting the scholarships will be part of the new version of cheer. Beyond honoring the scholarship commitments of existing members of the cheer squads who have already signed a Letter of Intent, no new scholarships will be awarded to the cheer clubs.

For the next school year, NOC will establish the cheer clubs with a sponsor assigned to each

campus. Try-outs will be coordinated through the Office of Student Affairs and Athletics. Northern has had a rich history of some amazing cheer squads over the years recognizing the cheerleader's role to help promote and spread school pride throughout the year. The cheer clubs will continue to help boost the energy and enthusiasm produced by the crowd supporting our sports teams and other activities, resulting in a more united and supportive campus.

Basketball playoffs March 8-11

As the regular season for college basketball winds down, NOC Enid and NOC Tonkawa will be focusing on the NJCAA Region 2 Tournament at Muskogee High School March 8-11.

While the Mavs and Lady Mavs have completed their regular season, the Jets and Lady Jets have one game left, at Connors Monday night.

For the men, the winner of the Jets-Connors match-up will finish second in Region 2. The Jets (11-4) have a one game lead over Connors (12-5) but Connors would hold the tie-breaker so the Jets need a win to claim second place and the #2 seed in the conference tournament.

The Lady Jets (10-5) will finish in third and will be the #3 seed in the conference tournament no matter the result of Monday's game.

For the Lady Mavs, their 12-4 conference record is good enough for the #2 seed behind Murray State. The Mavs (8-8 in conference) will be no worse than the #5 seed in the conference tournament.

The tourney brackets will be released next week for the March 8-11 tournament.

The winner of the tournament receives an automatic bid for the NJCAA National Tournament.
