

NORTHERN
OKLAHOMA
COLLEGE

DIVISION OF Business

DEGREE PROGRAMS

ENTERPRISE DEVELOPMENT

This degree is offered as an Associate in Science or as an Associate in Arts. It is a flexible business degree that includes the most desirable core competencies requested by employers and provides a degree completion framework that matches student aspirations with the needs of industry. This program is a part of an Oklahoma State Regents for Higher Education consortium initiative between community colleges within the state of Oklahoma. The program allows students to complete coursework from one or more of the participating institutions in online, hybrid or traditional delivery formats.

The Business Division at NOC has been accredited by the Accreditation Council for Business Schools and Programs (ACBSP) since 1992, which demonstrates Northern's commitment to high-quality business education.

BUSINESS ADMINISTRATION*

With 60 credit hours designed to provide the student with the first two years of general requirements for transfer to a four-year institution. This degree has options in Management Information Systems and International Business. It can be completed in a fast-track format in as little as one year.

BUSINESS MANAGEMENT*

This degree is designed to provide the student with the necessary skills for immediate employment into entry-level management. The degree can be completed in conjunction with the Associate in Science in Business Administration, allowing a student to graduate from Northern holding two degrees. This degree has options in Accounting, Entrepreneurship and Hospitality.

OFFICE MANAGEMENT

The technical occupational specialty areas equip students with current technological skills while the business core requirements provide the essential foundation in business, accounting and office management. The Office Management degree is a cooperative program whereby students take their general education and business core courses from Northern Oklahoma College and their technical coursework at the Technology Centers of Autry-Enid and Pioneer-Ponca City.

SCHOLARSHIPS AVAILABLE

Here at NOC, you will find a community of students, faculty, staff, alumni and business partners dedicated to becoming the preeminent learning-centered community college business program in Oklahoma. Our business graduates play roles in just about every industry performing tasks such as managing operations, hiring and training employees, inventory management, managing computer systems and overseeing the day-to-day operations of an office. From providing office support, to learning to run your own business, to the most current accounting techniques, NOC's business programs prepare you for an exciting career in this diverse global marketplace.

Learning at NOC involves more than your typical classroom experience. For instance, our Kappa Beta Delta Honor Society and Business Club are making a real difference by working with local charities and serving the community. Our Love's Cup Business Plan Competition teams actively participate in planning for businesses of tomorrow. The NOC Advisory Board works with the Division to provide internships and job-shadowing opportunities for students, and our Global Education/Study Abroad programs allow students to experience business in other cultures around the world. In other words, at the Business Division of NOC we are committed to providing high-quality, accessible and affordable educational opportunities and services to allow our students to develop to the full extent of their abilities, to succeed in a competitive global environment and to be effective life-long learners.

So, if you are interested in an education that prepares you for a lifetime of business leadership in a global marketplace, then NOC Business is the place for you!
