## Introduction

The Northern Oklahoma College Nursing Fact Book is a collection of Nursing Division data collected to provide information to those who make decisions, write grants, and to the public interested in the Nursing Division. The Nursing Fact Book is a snapshot of the collective department including data from all three locations. Data and information is updated in August of the year reported.

### Pass Rates on NCLEX

State and National data are reported two years post Institutional data.

All students regardless of academic capability may find themselves distracted, challenged, or overwhelmed by the demands of a rigorous nursing program. Rather than allow such students to be lost from the program due to academic failure, NOC nursing faculty will make any reasonable effort to identify, counsel, and support these students.
