  - Once you have confirmed your account, you can begin accessing the system.
  - You may be required to submit additional documentation to the Scholarship Office on or before the deadline.
2. **Complete the online Free Application for Federal Student Aid (FAFSA) at [www.fafsa.gov](http://www.fafsa.gov).**
  - Every student who is awarded scholarships is required to complete the FAFSA.
  - To ensure NOC receives your financial aid information use Institutional Code 003162.
  - New filing year opens every December for the next academic year.
  - When NOC receives the Student Aid Report, you will be notified and asked to complete additional documentation.
  - If you have not been notified by NOC within two weeks of filing a completed FAFSA (unless you filed before January 1) please contact the Financial Aid Office to see if additional information is needed.
  - To consider you for scholarships, the Financial Aid Office must have received your FAFSA and all required paperwork submitted, regardless of eligibility.
  - Applicants are required to complete the FAFSA within 30 days of accepting a scholarship award. Failure to do so may result in scholarship being revoked. NOTE: All financial aid will be primary source of funding education. Best consideration date for financial aid is January 1.
  - If you are requesting student loans, you are required to complete Entrance Counseling and a Master Promissory Note at [www.studentloans.gov](http://www.studentloans.gov) **before your loans can be awarded.**

**Need to Know:**

Not every scholarship is available for award every year. Funding determines availability.

**PRIORITY DEADLINE:** Applications for the Presidential Leadership Scholarship, the NOC/OSU Gateway Ambassadors Scholarship or the State Regents Academic Scholarship must be submitted by February 20. Priority deadline for all other scholarships is February 20 with scholarships awarded to qualified applicants on a first come, first serve basis until August 25. For new or transfer students, spring deadline is January 25.

The scholarship committees on each campus shall determine the recipients for the scholarship awards. The Institutional Scholarship Office administers the scholarship awards.

Priority will be given to applicants who are Oklahoma residents, United States citizens or permanent residents.

Students on institutional academic achievement scholarships, i.e., PLC, academic, valedictorian, salutatorian, freshman or sophomore regents, etc. must be an Oklahoma resident and enrolled full-time.

Maximum institutional scholarships may not exceed five (5) full-time academic semesters (does not include summer courses) unless otherwise stated.

Scholarship funds will be applied for fall and spring semesters unless otherwise stated. Students who have a remaining scholarship balance within the current academic year and have maintained scholarship retention criteria may use their remaining balance during the summer semester.

All students must reapply each academic year. A complete list of scholarships with criteria are available at [www.noc.edu/scholarships](http://www.noc.edu/scholarships).

To be considered for scholarships, applicants must adhere to the institutional academic standards policies, drug and alcohol policies, student conduct policies, and participation agreements. Failure to comply may result in removal of scholarship award. All policies and procedures may be found in the NOC Course Catalog and Student Handbook at [www.noc.edu/course-catalog-handbook](http://www.noc.edu/course-catalog-handbook).

Any student whose scholarship award has been removed from Northern Oklahoma College may appeal the removal by filling out the Scholarship Appeal Form and submitting it along with supporting documentation to the Scholarship Office. The appeals decision will be made by the Scholarship Appeals Board.

Scholarship appeals are limited to one year from the start of the semester last enrolled in.

While every effort is taken to ensure that the correct information is presented, current NOC policy, State Regents' policy, NOC Foundation policy, state and federal laws and/or the intent of the donor who established a Foundation scholarship program (as applicable) will override any outdated or erroneous information listed here.

# OSU Dining Services

## UNIVERSITY DINING SERVICES

When it comes to food, it's all about choices – and with so many unique dining options, there's something for every Cowboy. From national franchises to local favorites, healthy meals to indulgent snacks, the possibilities are endless. Whether you want an early-morning coffee or need a late-night snack, we've got it covered. We recognize that our students have varying needs and tastes when it comes to food, and that's why we offer some of the most flexible meal plans in the nation.

All freshmen living on campus are required to have a meal plan at the bronze level or higher. One week before the start of each semester, the total amount of your meal plan is automatically loaded onto your student ID, which can be swiped at any dining outlet on campus like a debit card. You can immediately spend as much or as little as you want, whenever you want and your balance declines as you make purchases. Meal plan purchases are not restricted to food and beverages. Without ever leaving campus, you can purchase groceries, household items and school supplies at our four convenience stores located across campus.

At the end of the fall semester, 100% of the remaining balance will roll over to the following spring semester within the same academic year with a valid meal plan contract. Rollover is only available from the fall to spring semester in the same academic year. Additional funds may be added to your meal plan at any time.
