Roustabout alumni concert Aug. 18 in Tonkawa

Brandon Haynes & The Guys, featuring NOC Roustabouts and Alumni, will headline the Full Moon Concert on Sunday, Aug. 18 in Tonkawa Centennial Park, 301 East Grand in Tonkawa.

The musically eclectic band features five NOC Roustabout alumni including Brandon Haynes (piano/vocal), Brad Matson, (percussion/drums), John Shwayat (bass guitar), Hunter Vogele (drums/percussion/guitar), Axel Navarette (synth/guitar) and NOC alum Erik Wiladsen (guitar).

The audience will enjoy a broad selection of covers including pop, rock, and some good ole' oldies. Roustabout alumni performing vocally include Teri Vogele, Kristi Browne, Trey Kirkpatrick, Jera Kiespert, Sarah Macia, Ashley Adams, Nicole and Kyle Hoover, Relo Adams, Tarryn Pruett, Kenneth Thomas, Lindsey Navarette and more.

Haynes teaches music and is the vocal director and musical arranger for the Roustabouts at Northern Oklahoma College.

He is also the director of music and worship arts at First United Methodist Church in Tonkawa and the artistic director for the Choral Arts Society of Northern Oklahoma (CASO) Ponca City community choir.

The family-friendly outdoor concert begins at 7 p.m. at the Heart in the Park Pavilion and is free to all. The NOC Foundation along with

the Alumni and Community Relations are supporting this community event and will host an information booth with giveaways, bottled water and games.

Since bench seating in the park is limited, the public is invited to bring lawn chairs or blankets. Pets on leashes are welcome and restroom facilities are located across the street in the Santa Fe Depot.

Throughout the evening, concert goers may walk the world's only heart-shaped labyrinth, and the evening concludes with the traditional group howl at the full moon.

Northern Oklahoma College and NOC Foundation joins North Central Oklahoma Arts Council and Heart in the Park Committee to sponsor this event.

Next month's season finale Full Moon Concert by the Hayes Brothers Band is scheduled for 6:30 pm Tuesday, September 17.

In case of inclement weather or for more information, check for Full Moon Concert updates at <https://heartinthepark.org/> and on NCOAC Facebook: www.facebook.com/TonkawaArts/ or by messaging 580-628-0108.

Brandon Haynes & The Guys will return to the Heart in the Park Pavilion to perform pop and rock covers at the Sunday, August 18 Full Moon Concert in Tonkawa. More than a dozen NOC Roustabouts and Alumni will be featured singers throughout the night. The unique full moon concert series is in its 10th year and is sponsored by North Central Oklahoma Arts Council and Heart in the Park committee. The August event is co-sponsored by Northern Oklahoma College Foundation. Music begins at 7:00 p.m. with free admission in Tonkawa Centennial Park, 301 East Grand.

NOC establishes first gen scholarship

The Northern Oklahoma College Foundation, Inc. announces the establishment of the First-Generation College Student Scholarship Fund.

This permanently restricted scholarship endowment fund, created in January 2024, was originated in recognition of and dedicated to the need for financial assistance for selected students who are the first in their immediate family to attend and graduate from a two-year college or university and whose parent/legal guardian(s) do not possess an associate or bachelor degree.

This scholarship was created and endowed for student(s) who may not qualify for financial aid, but could benefit from additional funding to help offset education-based expenditures.

“As the daughter of a first-generation college student, I am so incredibly appreciative of the generosity of this donor,” said NOC President Diana Watkins. “My dad’s community college experience completely changed the trajectory of his life, and therefore mine. This scholarship will improve the quality of life for many families for generations to come.”

According to Candy Oller, NOC Director of Development and Donor Relations, the anonymous donor for this scholarship was a student who was not eligible for financial aid, who paid her own way through college without assistance from family, and struggled immensely. There

were many times the donor had multiple jobs to make ends meet, and at times wanted to give up, but did not. The donor is now in a position to help those student(s) who may need financial assistance, and hopefully take some weight off their shoulders. By knowing that someone cares enough to give back, the donor hopes to make their college adventure a little easier.

Applications must be made with the NOC Scholarship Office, be a high school graduate/GED equivalent whose parents do not have an associate or bachelor’s degree. Preference will be given to the applicant who demonstrates a financial need, scholarship aptitude and achievement and is full time/part time at NOC Tonkawa

The NOC Tonkawa scholarship committee shall determine the recipient(s). Monies raised and/or donated annually for scholarship purposes shall be classified as temporarily restricted and used to provide up to five (5) minimum award(s) of \$1,000 annually. Additional scholarships may be awarded on an as need basis as determined by the Scholarship Coordinator and available funding.

Those wishing to make a gift to this NOC Foundation fund or others can contact the Foundation office at 580.628.6292 or give online at Give to NOC | Northern Oklahoma College or www.noc.edu/development/foundation/give-online/.

NOC establishes Evelyn Scoles Coyle Scholarship for sophomores

The Northern Oklahoma College Foundation, Inc. is excited to announce the establishment of the Evelyn Scoles Coyle Scholarship Fund.

Through the generous support of Evelyn Coyle, a 1951 Alumna from Northern Oklahoma Junior College, the establishment of this permanently restricted endowed scholarship fund will provide returning NOC sophomore students an opportunity to complete their educational goals at Northern Oklahoma College Tonkawa.

NOC Distinguished Alumna 2021 and long-time Tonkawa resident, Coyle values higher education and it is her desire to help others obtain

a four-year higher education degree. She wishes to assist deserving students to be successful in reaching their educational and professional goals.

“At Northern we are extremely proud of the percentage of our students who graduate college with no debt,” said NOC President Diana Watkins. “This would not be possible without the generosity of individuals like Evelyn Coyle. What an incredible gift she is giving to current and future students.”

NOC, Central Tech Truck Driving enter into agreement

Northern Oklahoma College and Central Tech Truck Driving Training have entered into an agreement where students attending the truck driver training program in Enid may live in NOC Enid student housing.

Truck driving students in the program train at the Autry Technology Center.

Both NOC President Diana Watkins and John Thorpe, Truck Driver Training Director, praised the new agreement approved by the NOC Board of Regents this summer.

“We are fortunate that NOC has such great working relationships with our area tech centers,” Watkins said. “This partnership will be a win-win allowing NOC Enid to fill some campus apartments that might otherwise go unused while increasing opportunities for people in the western part of the state to gain their CDL certification from Central Tech.”

Thorpe added, “Our partnership with Autry Technology Center and Northern Oklahoma College in Enid is a game-changer for our Truck Driver Training program. By providing

housing though NOC, we are removing barriers and creating more opportunities for students to achieve their CDL certification.”

“This collaboration not only enhances the learning experience but also ensures that our graduates are well-prepared and highly sought after in the trucking industry,” he said. “Together, we’re paving the way for a brighter future for our students and the communities we serve.”

Students in the driver training program that choose to stay in NOC housing will stay in the Elliot-Goulter Residence Hall.

Central Tech Truck Driver Training offers a range of training options, including ELDT Class A CDL, ELDT Class B CDL, school bus, and hazmat training. The Class A CDL program spans 28 training days, providing students the choice between manual or automatic transmission. The 11-day Class B CDL course covers 80 hours, including an 8-hour online Hazmat option.
