

This suggested curriculum includes degree requirements and courses that are usually completed in the first two years of a four-year curriculum. Consult with the university or college of your choice and its catalog curriculum as you make plans on where to transfer. Be careful to select the courses that will meet all requirements for both the Associate and Baccalaureate degree programs.

Year One

| Fall Semester | | | Spring Semester | | |
|------------------------|------|--------------------------------|------------------------|------|-----------------------------|
| ENGL | 1113 | English Composition I | ENGL | 1213 | English Composition II |

| | | | MATH | 2023 | Elementary Statistics |
| | | | | | (Recommended Program Elective) |
| Total 17 credit hours | | | Total 16 credit hours | | |

NOC evaluates students for placement into supplemental/college-level courses or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined by A.C.T. test scores, corresponding A.C.T. challenge tests, holistic placement, or other college approved placement tests. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more supplemental courses for English, Math, Social Science or Nursing. See the NOC testing web page by clicking on the following link: <http://www.noc.edu/act> for placement guidelines.
