

An Invitation from
President Diana Morris

Please consider donating to the NOC Presidential Partners program. Your support is critical to ensuring Northern continues to provide Life Changing experiences.

At NOC we take pride in offering the place, price, and programming to efficiently and effectively serve many different types of individuals. The talent, dedication and passion of our students and “staculty” (staff + faculty) at our locations in Tonkawa, Enid, Stillwater, and the University Center in Ponca City continue to impress me. With the Presidential Partners Program, your contributions will help Northern

support innovative activities for these individuals, fostering professional growth opportunities they wouldn’t normally be able to experience.

This brochure offers a glimpse into some of the opportunities provided in the past couple of years through the generosity of donors to the Presidential Partners Program. If you haven’t already taken a look at some of our alumni stories on the NOC website, I encourage you to do so as you will see evidence of the impact your financial support has on the college and the communities we serve.

On behalf of the NOC Foundation, our students and stacutly, I sincerely thank you for your consideration and continued support of the state’s first public community college.

Diana Morris
