Dear Alumni and Friends:

At the NOC Foundation, our focus is on enhancing students' life-changing experiences by providing scholarships, academic enrichment programs, funding for equipment, and seed money for innovative initiatives at all three distinct campus locations. No matter what path our students choose, we strive to make sure each and every one have the tools and resources necessary to prepare them for their future career endeavors.

Your generosity will help ensure that the nearly 3,100 students NOC serves every year, have access to the resources and support they need to be successful learners who go on to be productive earners in our communities.

As Executive Director of the NOC Foundation, my goal is to help create an environment where students can be successful and complete a college degree. As donors, you can join me, along with the Foundation Board, in this goal. Together, we can help NOC students start their path toward success with every advantage possible.

I hope you will consider supporting the NOC Foundation by giving in one of the easy ways which are explained on the enclosed donation card.

For more information, please visit our NOC Foundation webpage at noc.edu/development/foundation/.

Thank you for your generosity.

Sincerely,

Sheri Snyder, Executive Director

Northern Oklahoma College Foundation, Inc.
