NORTHERN OKLAHOMA COLLEGE
Division of Agricultural & Biological Sciences

December 12, 2025

Dear Agricultural Educators,

The 2026 Northern Oklahoma College Agriculture Interscholastic Meet will be held **Wednesday, January 28**. This year's contest will offer competition in the divisions of **Ag Communications, Ag Mechanics, Agronomy, Milk Quality Products, Entomology, Horticulture Landscape/Nursery, Farm Business Management, Food Science & Technology, Meat Science Evaluation and Veterinary Science**. Contestants may only compete in **one** contest division.

Note: Contests will be limited to **2 teams and 2 individuals per contest division**. A team may consist of 3 or 4 members with the top 3 scores used in team tabulation. **Exceptions include:**

- 1.) Ag Mechanics:** There will be a limit of **one Junior** (Grades 9 and 10) and **one Senior** (Grades 11 and 12) **team (no individuals)** per school. Contestants need to bring their own safety glasses, welding helmets, welding gloves, a pair of pliers and appropriate clothing and footwear. A team may consist of 3 of 4 members with the top 3 scores used in team tabulation.
- 2.) Food Science & Technology:** Can enter 2 teams, however each team must have 4 members with ALL SCORES counting in tabulation. Can enter 2 individuals as well.

Judging Card will be receiving entries and collecting fees for our contest. **Entries will open on JANUARY 7, at 8:00 am and close on JANUARY 21 at 11:59 pm. Late entries will be accepted from January 22 at 12:00 am to January 23 at 11:59 pm. THERE WILL BE NO DAY OF ENTRIES!!**

The ENTRY FEE for all contests is **\$30.00 per team** and **\$12.00 per individual**. **LATE ENTRY FEES** will be **\$40.00 per team** and **\$15 per individual**.

Due to the number of entries, contestants will be assigned specific testing times. Contest times and testing locations will be disseminated the day of the contest. Contestants need to bring **AT LEAST two No. 2 pencils** to their testing site. Scantrons and all other materials will be supplied at the testing site.

The following is a tentative schedule of the day's events:

- 8:00 Contestants gather in Foster Piper Fieldhouse
- 8:45 Welcome and instructions
- 9:00 Begin all contests

Contest results will be available at judgingcard.com by **Feb. 4, 2025**. The top 3 teams and top 3 individuals in each contest division will receive awards. There will be separate awards for the

Single Teacher and Multi-Teacher Sweepstakes Award. All awards will be delivered at area contests or mailed.

Contest descriptions and information are available on our website at <https://www.noc.edu/academics/academic-divisions/agriculture-science1/>.

If you have any further questions, please feel free to contact any of our faculty listed below. We are excited about the opportunity to host our annual Agricultural Interscholastic Contest and are looking forward to seeing you on January 29th.

Sincerely,

Tricia Moore
