## 2026 GIRLS' BASKETBALL SUMMER CAMPS

**GRADES K-3**  
June 8-10

**GRADES 3-6**  
June 21-25

**GRADES 7-12**  
July 5-9

### COACH'S MESSAGE...

Our camps are designed to help the girls learn the basics of shooting, dribbling and passing, as well as other fundamental skills of basketball. We also apply those skills within a team structure as each of the girls is also a member of a team for the week and will play several games each day.

Basketball teaches the value of improving as an individual, as well as committing to what's best for the team. We believe when individuals experience the satisfaction of working hard and see the results of that hard work, many of them will continue working on their own.

- Greg Krause

**We hope you can join us  
for a great week of camp!**
